Sub : Domicile Medical Treatment in respect of Chronic Diseases

Since some time multiple requests are being received from the individuals for reimbursement/ inclusion of diseases in the chronic disease list. In order to curb this practice and to streamline the process of reimbursement, it has been decided that "the chronic disease reimbursement may strictly be made in accordance with the listed diseases in the Chronic Disease List as per the AAI Medical Regulations/AAI Retired Employees Medical Schemes and No such request for inclusion of diseases in the list may be entertained."

It is issued with approval of the Competent Authority.

(Dr. B K Barolia)
