TECHNICAL INSTRUCTION NO. 46.

Vigilance Directorate during examination of a case involving procurement of Security Equipments observed certain deficiencies in the tender evaluation and suggested following improvements to overcome the shortcomings/deficiencies in the system.

1. Combined Test Piece (CTP) used for procurement in AAI should be made available by BCAS after getting it test certified by a nationally recognized laboratory.
2. Combined Test Piece (CTP) test should be conducted in the presence of all the bidders to provide transparency in the system.

Above instructions to be followed in all future procurement relating to Security Equipment.
