**SUBJECT: Monitoring and Review of Online Flight Plan System Integrated with Billing System and SBI for Domestic Non-Scheduled Operators Operating on Cash & Carry Basis.**

Sir/Madam,

As you are aware that Competent Authority has issued instructions for OFPL-AIMS System rolled out from 1st of July 2023 vide letter No.AAI/CHQ/OFPL/2023 Dt. 12th June 2023. Specific instructions were issued, mandating all Domestic NSOPs operating on Cash & Carry Basis to extensively use OFPL - AIMS System for making the payments and incase of any exceptions due to technical / operational exigencies ATM-in-charges of respective airports were authorised to collect the payment at the local level as per the old practice in offline mode. Instructions were specifically given for reporting such exceptions through Email to cbpscollection@aai.aero.

Also please refer to ED(CNS)-OM letter No. AAI/CHQ/OFPL/2023 Dt.16th Aug 2023 wherein it was requested to verify the details of the payments received through OFPL System and collected locally by the Airports/stations to ensure that all movements be it through OFPL System or through Offline Mode as per old system have been captured and payment against those movements reconciled and received at airport level.

Regions have also been provided with the data for the collections initiated through OFPL System Airportwise, FPL Movement wise by CB&PS Team, so that they may undertake verification & Validation at their end to ensure no flight movement is left out unbilled for Non-Scheduled Movements operating on Cash & Carry. Instances have also been reported by CB&PS Team on reconciling the data from inception of the OFPL-AIMS application ie from 1<sup>st</sup> July 2023-31<sup>st</sup> Dec 2023, wherein over/under billing in some movements have occurred which needs to be recovered from these parties. (Details attached). For accessing invoices not paid/partially paid by the parties/airlines, the URL for downloading invoices by the Operator with payment gateway enabled for making payment is as follows:

<https://abridgedaims.aai.aero/nsopprod/IDG/NSOPLogin.jsp>

User Name: ofpl Operator User Name

Password: NSOPUser123\$

A detailed SOP in this regard is also attached herewith for strict compliance. It is again reiterated that the responsibility of ensuring regular updation of Flight Movements in digitised CA-17 in AIMS vide undersigned Letter No.AAI/ATM/RNFC/29-53/2023 Dt.5<sup>th</sup> Oct 2023 lies with the Airport / Station. Airport/Stations are requested to review and monitor the cash & carry movement on daily basis and ensure no flight movement happens without payment as per Revenue Policy of AAI.

Your Cooperation in the matter is solicited.

Thanking You

Yours Truly,
