Empanelment of Contractors for Pavement works in AAI

Sir,

In continuation to this office earlier letter no: AAI/CHQ/Engg(C)-NR/Empanelment Contractors/10 dated 03.01.2018, the Competent Authority has approved additional agencies to be Empaneled as Contractors for Pavement Works in AAI. The revised list (category wise) is enclosed at **Annexure-I**. The guidelines for operating the panel are as under:

1. The firms empanelled for works in higher category are also eligible to apply for works in lower category, i.e. the empanelment for Category-III (for works costing more than Rs.100 Cr. & upto Rs.200 Cr.) shall be valid for works under Category-II (for works costing more than Rs.50 Cr. & upto Rs.100 Cr.) & Category-I (for works costing from Rs.10 Cr. & upto Rs.50 Cr.). Similarly, empanelment in Category-II shall also be valid for Category-I. The estimated cost of works considered for above categorization is inclusive of all taxes.
2. The empanelment shall be valid upto **09.07.2020**. However, AAI reserves the right to repeal any / all agencies without assigning any reason.
3. The empanelment is not to be construed as a commitment on the part of AAI to award Execution contracts. The Execution contracts shall be awarded by call of limited tenders for Pavement works in respective categories based on the estimated cost, by the respective engineering official as per DOP, through the CPP portal. NIT approving authority shall make necessary modification in the standard AAI tender document to make it applicable for limited tendering. Tender shall be issued to Empanelled Contractors following 2 bid system consisting of tender cost, EMD, unconditional acceptance letter and integrity pact in Envelope 'A' and Financial Bid in Envelope 'B'.

Page 1 of 2

4. The Bid capacity of tenderer shall be asked from the empaneled agencies as per Works Manual Para 33.6 page 134, in Envelope no. – I. In case available bidding capacity of the bidder is less than the estimated cost of the work put to tender, the financial bid of such tenderer shall not be opened.
5. The empanelled agencies participating in the tenders shall be asked to submit an undertaking (in Envelope No. – I) indicating the details of AAI pavement works, in which the agency has participated during last one year out of total tenders issued to the agency.
6. The participation status of all empaneled agencies shall be reviewed at the time of renewal. Any agency who has not participated in tendering process during last one year is liable to be removed from the empaneled list. Yearly details of tenders called in your office (during financial year ending 31st March) along with the list of agencies NOT PARTICIPATING in tendering process shall be forwarded to this office latest by 30th of April annually for compilation & further action.
7. This order may be read in conjunction with the list of agencies restrained for issue of tenders in AAI. The order(s) for "Restrain" shall supersede the empanelment order for such period / date as mentioned for the concerned agency / agencies. A list of agencies restrained for issue of tender is also uploaded on AAI portal. The path for the list is: www.aai.aero → TENDER → Restraint on Issue of Tender for AAI Works → Debarred Vendor List.
8. This letter along with latest updated list of empanelled agencies is also available on AAI's website at the following path: www.aai.aero → Employee Login → Circulars & Orders.

* Empanelment of agencies marked with * are provisional. Bid Managers may please ensure the verification of credentials before award of work, in case of lowest bidder. The credentials submitted by agencies with their application for empanelment may be obtained from MIS (Engg-Civil) CHQ. The outcome of verification process undertaken by Bid Managers may be shared with this office along with related correspondence for reference and records.

Verification of work experience certificates for these agencies has been completed.
