b. Submit Flight Plan & Agree after Read Terms & Conditions

The screenshot shows the AAI flybig application interface. On the left is a navigation menu with options like Flights, Charts, Airports, MET, NOTAM, Fleet, Account, Help, Feedback, and Logout. The main area displays a list of flight plans under the heading 'NEW FLIGHT'. Each entry includes a flight number (e.g., FLG219), route (e.g., VEGT → VEPT), and altitude (20000 FT). A 'Pay' button is visible next to each entry.

A modal dialog box titled 'CREATE FPL --- ATS FORMAT' is open in the foreground. It contains the following information:

- Title:** CREATE FPL --- ATS FORMAT
- Flight Details:** BGD W105 -VEPT0149 VEGT VECC -NAV/B1 COM/TCAS DOF/230402 REG/VTFBA OPR/FLG )
- Section:** Agreement
- Agreement Points:**
  - 1.The responsibility of verifying the availability of Flight Plan with the intended ATS Unit before the conduct of flight lies with me.
  - 2.The responsibility of obtaining ATC/COM/MET briefing for the safe conduct of flight lies with me
  - 3.The responsibility of obtaining ADC/FIC nos before the conduct of flight lies with me
  - 4.Watch hours at the departure/destination/alternate has been coordinated by me
  - 5.I will make myself available to the concerned ATS Unit in case of requirement for any special briefing for the safe conduct of flight
  - 6.I have obtained 24hrs prior permission from the concerned Election commissioner in case iam operating to a poll bound area.
- Checkbox:**  I do Agree with Terms and Conditions specified above
- Buttons:** OK, Close

At the bottom of the dialog, there are buttons for 'Close', 'Submit', and 'Clear All'. The background shows a map of the region around Mumbai, India, with coordinates 14°19'23"N 066°10'19"E.

### c. View Filed Flight Plan

The screenshot shows the AAI Flight Plans interface. On the left, there is a sidebar with navigation options: ONLINE, Flights, Charts, Airports, MET, NOTAM, Fleet, Account, Help, Feedback, and Logout. The main content area displays a list of flight plans under the heading 'Flight Plans'. Each entry includes a flight plan number (e.g., FLG219), a route (e.g., VEGT → VEPT), an estimated time of departure (ETD), and an altitude (20000 FT). A 'Pay' button is visible next to each entry. On the right, a map shows the flight path for the selected flight plan, with a blue line connecting the origin and destination points. The map includes geographical details like rivers, roads, and city names.

### d. Select Flight Plan and Pay

The screenshot shows the AAI Flight Plans interface after a successful payment. A green notification box at the top of the map area displays '✓ FLG219 FPL SUCCESSFUL'. The flight plan list on the left remains the same, but the 'Pay' button for the selected flight plan (FLG219) is now disabled. The map on the right shows a different geographical area, with a blue line indicating the flight path. The interface elements, including the sidebar and navigation options, are consistent with the previous screenshot.
