

A man with grey hair, wearing a blue surgical mask and a black and white vertically striped button-down shirt, stands on the left side of the frame. He is gesturing with his hands as if speaking to the group.

A group of approximately 15-20 people are seated around a long, dark wood conference table. They are all wearing face masks. The participants are dressed in a mix of business casual attire, including jackets, shirts, and blouses. Some are looking towards the speaker, while others are looking at their devices or papers on the table.

In the foreground, several people are seated at the table, viewed from behind or in profile. They are also wearing face masks. The table is equipped with microphones and small electronic devices, likely for audio recording or communication during the meeting.
