INDEPENDENT AUDITORS' REPORT

To The Members of
The Chandigarh International Airport Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Chandigarh International Airport limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit & Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flow for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements of the Code of Ethics. We believe that audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report but does not include the financial statements and our auditor's report thereon. The Director's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Director's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under relevant laws and regulations.

Responsibilities of management and those charged with governance for the financial statements

5. The company's Board of Directors is responsible for the matter stated in Section 134(5) of the Act with respect to the preparation to these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operation, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the Audit of the Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud

or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exist. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of the users taken on the basis of these Financial Statements.

8. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:
 - a. Identify and assess the risk of Material Misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis of our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of internal control.
 - b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013 we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
 - c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - e. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in the aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in:

- i). Planning the scope of our audit work and in evaluating the results of our work, and

- ii) To evaluate the effect of any identified misstatements in the Financial Statements.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determined those matters that were of most significant in the audit of the Financial Statements of the current period and therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of subsection (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.
12. We enclose our report in terms of Section 143(5) of the Act, on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanation given to us, in the Annexure C on the directions and sub directions issued by the Comptroller and Auditor General of India u/s Section 143(5) of the Companies Act 2013.
13. As required by Section 143(3) of the Act, we report that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement deal with by this Report are in agreement with the books of accounts.
 - d. In our opinion, the aforesaid Financial Statements comply with the accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure-B".

g. With respect to the other matters to be included in the Auditor's report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, (as amended) in our opinion and to the best of our information and according to the explanations given to us:

- The company has any pending litigations which would impact its financial position. The details of such litigations are as follows:

i. CITCO was awarded the contract to operate executive lounge on international side after operationalization of the Airport. Thereafter, on request of CITCO, to make their project commercially viable, CHIAL considered the request and award the contract for executive lounge of Domestic as well considering that the footfall on the international side was not adequate. Later on 25.4.2018, CITCO served 30 days' notice for termination of contract of lounge on International side only and want to continue lounge for Domestic Side only which was not agreed by CHIAL as the contract for Domestic side was awarded only to compensate the losses of International side and requested to CITCO continue both the executive lounges. However, CITCO vacated International Lounge on 25.05.2018. Thereafter, CHIAL was left with no other option but to terminate the license of Domestic Lounge also. CITCO filed a Civil suit at Mohali district court of Rs. 140 lakh and the same is pending for the consideration.

ii. The Company had awarded a contract to Three Vee Marketing Private Limited as Master concessionaire to develop, build, finance, operate and maintain the general outlet at terminal building on 13-August-2018 for a period of 7 years. The master concessionaire has foreclosed the contract w.e.f. 20-November-2020 exercising the force-majeure clause of the agreement due to global pandemic Covid-19. Three Vee Marketing Private Limited had revoked a petition under Section 9 of Arbitration and Conciliation Act with CHIAL for claiming business losses suffered by it owing to disruptions caused by the advent of Covid-19 and other factors. The arbitration proceedings began during the financial year 2021-22. Subsequent to the year ended 31-March-2023, the aforementioned arbitration proceedings were disposed-off on 31-July-2023 in favour of Three Vee Marketing Private Limited awarding a final amount of Rs. 353.89 lakh. However, CHIAL is not in agreement with the decision of the Arbitration Authority and appealed in the month of November, 2023 before the Learned District Judge, Commercial Court, District Court, Chandigarh. The matter is sub-judice. Accordingly, based on the advice of its legal counsels, the Management is of the view that the facts are in favour of the Company and the Company has good chances of success before the District Court. Therefore, no adjustment has been recorded in these financial statements.

iii. PSPCL Case-The MOM No: 1/12/2015-EB(PR)/454, dated 16.05.2019 issued from the office of the Principal Secretary Power, Punjab related to power supply and grid connection of net metering issue of 3MW of solar plant and the same was approved by CHIAL at its 41st Board meeting held on 05.07.2019. PSPCL raised demand as per revised calculation by Dy CE enforcement Patiala, Memo. No. 743 dated 25.05.2023 amounting Rs. 427.13 lakh for electricity bill cycle period 2019 to 2023. CHIAL did

not accept the revised calculation of PSPCL as it was not as per the MOM No: 1/12/2015-EB(PR)/454, dated 16.05.2019. The PSPCL official raised the above demand stating that there was an error in understanding the MOM issued by the O/s Principal Secretary Power, dated 16.05.2019 related to net metering connection provided.

CHIAL has filed a Civil Writ Petition against M/s PSPSCL in the Chandigarh High Court. The matter has not yet been concluded. However, CHIAL has deposited 25% of demand amount under protest to M/s PSPCL as per the order of court. Based on the advice of its legal counsel, the management is of the view that the facts are in favour of the Company and the Company has good chances of success before the adjudicating authority. Therefore, no adjustment has been recorded in the financial statements.

iv. the Company had planned to forfeit the entire Security Deposit of ₹142.71 lakhs from M/S Earth Pavers Private Limited during the financial year 2023-24 due to the counterparty's failure to meet contractual deadlines. However, after the counterparty filed a grievance with the Airports Authority of India's Grievance Committee, it was decided that ₹102.73 lakhs of the forfeited amount should be refunded in the financial year 2024-25. The counterparty has since requested arbitration, and the case is currently pending. No accounting adjustment has been recorded in respect of this balance.

- The company was not required to recognize provisions as at March 31, 2024 under the applicable law or accounting standards, as it does not have any material foreseeable losses on long term contract. The Company did not have any derivative contracts as at March 31, 2024.
- There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2024.
- i. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 53 (f) of the financial statements);
- ii. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party

("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 53 (f) of the financial statements); and

iii. Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (a) and (b) contain any material misstatement.

- The company has not declared or paid any dividend during the year in contravention of provisions of Section 123 of the Companies Act, 2013.

h. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account for the year ended 31st March, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1st April, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended 31st March, 2024.

14. The Company has paid for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V of the Act.

"Annexure A" to the Independent Auditor's Report

Referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of the Chandigarh International Airport Limited on the financial statements as of and for the year ended March 31, 2024.

In terms of the information and explanations sought by us and given by the company and the books of accounts and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

1. (a) A. The company has maintained full and proper records showing complete particulars, including quantitative details and the situation of Property, Plant & Equipment. This is in compliance with the requirements for maintaining adequate records of Property, Plant & Equipment.

B. The Company has maintained proper records showing full particulars of Intangible Assets.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant & Equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. We were not made aware of any material discrepancies that have been noticed on such verification.

(c) The title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favor of the lessee) disclosed in the financial statements are held in the name of the company.

(d) The Company has not revalued its Property, Plant & Equipment (including Right of Use Assets) or intangible assets or both during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use Assets) or intangible assets does not arise.

(e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transaction Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.

2. (a) Inventory as on 31.03.2024 includes Consumables/Spares necessary to carry out the business operations. The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies noticed on such verification.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions on the basis of security of current assets and accordingly, the question of our commenting upon whether the quarterly returns or statements are in agreement with the unaudited books of accounts of the Company does not arise.

3. During the year, the company has not made investments, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnerships or any other parties. Hence clause 3(iii)(a) to 3(iii)(f) of the Order 2020 is not applicable.
4. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Section 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.
5. The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Section 73, 74, 75 and 76 of the Act and Rules framed there under to the extent notified.
6. We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Companies Act, 2013 related to the operations of the airport, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
7. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed Statutory dues, including goods and service tax, provident fund, employee's state insurance, income tax, sales tax, service tax, duty of customs, duty of exercise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. However, GST Recoverable shown as 'Balance with Government Authorities' under 'Other Current Assets' does not match with Balances as per Electronic Credit Ledger.
8. According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of accounts.
9. a. According to the records of the Company examined by us and the information and explanations given to us, the Company has not availed any loan or other borrowing during the year.
b. According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.
c. According to the information and explanations given to us, the company has not obtained any term loan.
d. According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, the Company has not raised funds on short term basis.
e. The Company does not hold any investment on any subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31st March 2024. Accordingly clause 3(ix)(e) is not applicable.

- f. According to the information and explanations given to us and procedures performed by us, we report that the company did not have any subsidiaries as defined under the Companies Act, 2013. Accordingly clause 3(ix)(f) of the Order is not applicable.
- 10.a. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the report under clause 3(x)(a) of the Order is not applicable to the Company.
- b. According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Hence clause 3(x)(b) of the Order is not applicable.
- 11.a. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or in the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- b. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT 4, as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- c. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, and as represented to us by the Management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
12. The company is not a Nidhi Company as per the provisions of the Act. Accordingly, the requirement to report under clause 3(xii) of the Order is not applicable to the Company.
13. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required by Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.
- 14.a. In our opinion and according to the information and explanations given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- b. The reports of the Internal Auditor for the period under audit have been considered by us.

15. In our opinion and according to the information and explanations given to us, the company has not entered into any non-cash transaction with the directors or persons connected to its directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the company.
16. a. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. According the clause 3(xvi)(a) of the Order is not applicable to the Company.
- b. The Company has not conducted any non-banking financial / housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
- d. Based on the information and explanations given to us by the management of the Company, the Group has no CICs in the group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete.
17. The company has not incurred cash losses in the reporting financial year and in preceding financial year.
18. There has been no resignation of the statutory auditors during the year and accordingly, requirement to report under clause 3(xviii) of the Order is not applicable to the Company.
19. According to the information and explanations given to us and on the basis of the financial ratios disclosed in notes to the Standalone Financial Statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying Financial Statements, our knowledge of the Board of Directors' and management's plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
20. There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a fund specified in Schedule VII of the Companies Act, 2013 under Section 135(5) and 135(6) of the Act. Accordingly, reporting under Clause 3(xx)(a) and 3(xx)(b) of the Order is not applicable to the Company.

21. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report

Annexure B to Independent Auditors' Report

Referred to in paragraph 13f of the Independent Auditors' Report of even date to the members of Chandigarh International Airport Limited on the financial statements as of and for the year ended March 31, 2024.

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Chandigarh International Airport Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements:

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements:

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the inherent financial controls with reference to financial statements to future periods are subject to the risk that that the internal financial controls with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Notes issued by the ICAI.

Annexure C to Independent Auditors' Report

Referred to in paragraph 12 of the Independent Auditors' Report of even date to the members of Chandigarh International Airport limited on the financial statements as of and for the year ended March 31, 2024.

Whether the company has a system in place to process all the accounting transactions through IT System?	Yes, the company has a system in place to process all the accounting transactions through IT System. As there are no accounting transactions outside the IT system of the company, there exist no implications of the processing of accounting transactions outside the IT system on the integrity of the accounts.
Whether there is any restructuring of an existing loan or cases of waiver/write-off of debts/loans/interest etc. made by the lender to the company due to the company's inability to repay the loan?	As per the information and representations provided to us by the management, the company has not borrowed any loan or deposits, and as such, the same is not applicable to the company.
Whether funds (grants/subsidy etc.) received / receivable for specific schemes from Central/State Government or its agencies were properly accounted for/utilized as per its terms and conditions. List the cases of deviations.	Regarding accounting of funds: As per the information and representation provided to us by the management, the Ministry of Commerce Company has approved a grant amounting to Rs. 563 lakhs during Financial Year 2018-19 under the "Trade Infrastructure for Export Scheme (TIES)" for "Setting up of Centre for Perishable Cargo (CPC)." Out of this, the company received an amount of Rs. 281 lakhs during FY 2018-19 and Rs. 282 lakhs during FY 2021-22. During the FY 2023-2024, the interest amounting to Rs. 12.68 lakh as on 31/03/2024 has been disclosed as a separate line item in Other Financial Liabilities under "Interest refundable on government grant." The previous year, in FY 2022-23, the interest amount accrued was Rs. 17.66 lakh. The Cargo has been capitalized during the FY 2023-24 and Grant amount Rs 411.47 Lakh reduced from the gross block of the asset. It is to mention here that the accounting of grant amount and interest refundable on grant amount has been done correctly by CHIAL. Regarding Utilization of Funds: The Cargo has been capitalized and the operations of the Cargo have commenced during the FY 2023-24. The balance of Government Grant of Rs.

		151.53 lakhs under the head other Non current liabilities. It is to worthwhile mentioning here that out of Rs. 825.50 lakhs CHIAL has utilized 50% grant amount (excluding 4 nos electronic lockers Rs 2.57 Lakh for which no grant amount has been utilized) i.e., Rs. 411.47 lakhs and Rs. 151.53 lakhs is unutilized amount as on 31/03/2024.

14.1 (ii) Terms/Rights attached to equity shares

The Company has one class of equity shares having a par value of Rs.10 each [previous year Rs.10]. Each holder of equity shares is entitled to one vote per share. The dividend, if any, proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing annual general meeting, except in case of interim dividend.

In the event of liquidation of the Company, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

The shareholders have all other rights as available to equity shareholders as per provisions of the Companies Act, 2013 read together with the Memorandum and Articles of Association of the Company, as applicable.

14.2 Reconciliation of equity share capital outstanding as at the year ended March 31, 2024:

31.2 Fair Value Hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices (unadjusted) in active markets.
- Level 2 - Level 2 hierarchy includes financial instruments measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 - Level 3 hierarchy includes financial instruments measured using inputs that are not based on observable market data (unobservable inputs).

The following table present fair value hierarchy of assets and liabilities measured at fair value :-

Particulars	Level 1	Level 2	Level 3	Total	Valuation Technique	Key inputs and significant unobservable inputs
As at March 31, 2024						
Financial liabilities at amortised cost:						
Security deposits	-	3,685.92	-	3,685.92	By using the discounted cash flow method	MCLR rate of SBI
As at March 31, 2023						
Financial liabilities at amortised cost:						
Security deposits	-	3,688.52	-	3,688.52	By using the discounted cash flow method	MCLR rate of SBI

Chandigarh International Airport Limited

CIN: U63013CH2010GOI031999

Room No.1, Project Office Building Airport Authority of India, Civil Airport, Chandigarh-160003, India

Summary of material accounting policies and other explanatory information forming part of the financial statements for the year ended March 31, 2024

[All amounts are in rupees lakh, except share data and earnings per share]

Fair value of financial assets and financial liabilities measured at amortized cost :-

Particulars	As at March 31, 2024		As at March 31, 2023	
	Carrying Amount before fair value	Fair value	Carrying Amount before fair value	Fair value
Financial liabilities:				
Security deposit	4,166.75	3,685.92	4,360.58	3,688.52

The carrying amount of financial instruments other than security deposits such as trade receivables, cash and cash equivalent, other financial assets, trade payables and other financial liabilities are considered to be the same as their fair values, due to their short-term nature, absence of any transaction cost etc.

31.3 Financial risk management

Financial risk factors

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

Risk	Exposure arising from	Measurement	Management
Market risk- Interest rate	No such significant risk	Not required	The Company doesn't have significant borrowings.
Credit risk	Cash and cash equivalents, trade receivables	Ageing analysis	Diversification of bank deposits in public sector banks and trade debtor are secured by security deposit or bank guarantee etc.
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	The Company doesn't have significant borrowings.
Market Risk- Foreign exchange	Financial liabilities not denominated in Indian rupees	Sensitivity Analysis	Maintaining adequate cash and cash equivalent. However, No such significant risk

a) Market Risk

The company does not have any significant market risk.

b) Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables and unbilled revenue. Accordingly, credit risk from trade receivables has been separately evaluated from all other financial assets in the following paragraphs.

(b) (i) Credit risk exposure

An analysis of age of trade receivables at each reporting date is summarized as follows:

Particulars	NOT DUE	Outstanding for the year ended March 31, 2024 from the due date of payment					TOTAL
		< 6 months	6 month-1 years	1-2 years	2-3 years	> 3 years

Movement in Expected credit loss allowance on trade receivables calculated at lifetime expected credit losses

Chandigarh International Airport Limited

CIN: U63013CH2010GOI031999

Room No.1, Project Office Building Airport Authority of India, Civil Airport, Chandigarh-160003, India

Summary of material accounting policies and other explanatory information forming part of the financial statements for the year ended March 31, 2024

[All amounts are in rupees lakh except share data and earnings per share]

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Balance at the beginning of the year	18.37	16.75
Movement in Expected credit loss allowance on trade receivables calculated at lifetime expected credit losses	100.30	1.62
Less : debtors written off	-	-
Balance at the end of the year	118.67	18.37

b (ii) Unbilled revenue outstanding as on March 31, 2024 amounted to Rs. 759.59 lakh and as on March 31, 2023 Rs. 798.58 lakh.

b (iii) Financial assets other than trade receivables and unbilled revenue

Credit risk relating to cash and cash equivalents is considered negligible because our counterparties are banks. We consider the credit quality of term deposits with such banks that are majority owned by the Government of India and subject to the regulatory oversight of the Reserve Bank of India to be good, and we review these banking relationships on an ongoing basis. There are no impairment provisions as at each reporting date against these financial assets. We consider all the other financial assets as at the reporting dates to be of good credit quality. The Company does not hold any collateral or other enhancements to cover its credit risks associated with its other financial assets.

c) Liquidity Risk

Our liquidity needs are monitored on the basis of monthly and yearly projections. The Company's principal sources of liquidity are cash and cash equivalents, cash generated from operations & contribution in the form of share capital.

We manage our liquidity needs by continuously monitoring cash inflows and by maintaining adequate cash and cash equivalents. Net cash requirements are compared to available cash in order to determine any shortfalls.

Short-term liquidity requirements consists mainly of sundry creditors, expense payable, employee dues and retention & deposits arising during the normal course of business as of each reporting date. We maintain a sufficient balance in cash and cash equivalents to meet our short term liquidity requirements.

We assess long term liquidity requirements on a periodical basis and manage them through internal accruals. In the financial year 2023-24, company has not taken any loans from any of the sources. Our non-current liabilities include security deposits only.

The table below provides details regarding the discounted contractual maturities of non-derivative financial liabilities. The table includes both principal & interest cash flows.

MSME Disclosures

The dues are settled based on the credit policy extended by the vendors. The Company has financial risk management policies in place to ensure that all payables are discharged as per the pre-agreed credit terms. Disclosure of payable to vendors as required under the "Micro Small and Medium Enterprise Development Act 2006" is based on the information available with the Company regarding the status of registration of such vendors under the said Act as per the intimation received from them on requests made by the Company. There are no overdue principal / interest payable for delayed payments to such vendors as at the Balance Sheet date. There are no delays in payment made to such suppliers during the year or the previous year and accordingly there is no interest paid or outstanding in this regard in respect of payment made during the year or on balance brought forward from previous year.

Disclosure as per Section 22 of the Micro Small and Medium Enterprises Development Act 2006:

The Principal amount and interest due thereon remaining unpaid to any supplier:

Principal Amount - Rs. 292.46 lakh (Rs. 353.85 lakh)

Interest thereon - Nil (nil)

The amount of interest paid by the buyer in terms of Section 16 along with the amount of the payment made to the supplier beyond the appointed date - Nil (nil)

The amount of interest due and payable for the period of delay in making payment but without adding interest specified under this - Nil (nil)

The amount of interest accrued and remaining unpaid - Nil (nil)

32 Capital Management

The Company's objective in managing its capital is to safeguard its ability to continue as a going concern and to optimise returns to our shareholders. The Company considers the following components of its Balance Sheet to be managed capital:

1) Share Capital, 2) Other Reserves comprising of Retained Earnings.

The Company's capital structure is based on the Managements assessment of the balances of key elements to ensure strategic decisions and day to day activities. The capital structure of the Company is managed with a view of the overall macro economic conditions and the risk characteristics of the underlying assets.

The Company's policy is to maintain a strong capital structure with a focus to mitigate all existing and potential risks to the Company, maintain shareholder, vendor and market confidence and sustain continuous growth and development of the Company.

The Company's focus is on keeping a strong total equity base to ensure independence, security, as well as high financial flexibility without impacting the risk profile of the Company. In order, to maintain or adjust the capital structure, the Company will take appropriate steps as may be necessary. The Company does not have any debt or financial covenants.

33 Disclosure in respect of Indian Accounting standard (Ind AS)-108: "Operating Segments"

Based on the "management approach" as defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments. The Company is in the business of operations of the Airport at Chandigarh International Airport Limited at Mohali. Consequently, the Company does not have separate business segment.

(i) Information about major customers

If revenues from transactions with a single external customer amount to 10 per cent or more of an entity's revenues, the entity shall disclose that fact, the total amount of revenues from each such customer, and the identity of the segment or segments reporting the revenues. Summary of material accounting policies and other explanatory information forming part of the financial statements for the year ended
March 31, 2024

[All amounts are in rupees lakh except share data and earnings per share]

38 Contingent liabilities:

- 38.1 CITCO was awarded the contract to operate executive lounge on international side after operationalisation of the Airport. Thereafter, on request of CITCO, to make their project commercially viable, CHIAL considered the request and award the contract for executive lounge of Domestic as well considering that the footfall on the international side was not adequate. Later on 25.4.2018, CITCO served 30 days' notice for termination of contract of lounge on International side only and want to continue lounge for Domestic Side only which was not agreed by CHIAL as the contract for Domestic side was awarded only to compensate the losses of International side and requested to CITCO continue both the executive lounges. However, CITCO vacated International Lounge on 25.05.2018. Thereafter, CHIAL was left with no other option but to terminate the license of Domestic Lounge also. CITCO filed a Civil suit at Mohali district court of Rs. 140 lakh and the same is pending for the consideration.

The matter is sub-judice. Accordingly, based on the advice of its legal counsels, the Management is of the view that the facts are in favour of the Company and the Company has good chances of success before the adjudicating authority. Therefore, no adjustment has been recorded in these financial statements.

- 38.2 The Company had awarded a contract to Three Vee Marketing Private Limited as Master concessionaire to develop, build, finance, operate and maintain the general outlet at terminal building on 13-August-2018 for a period of 7 years. The master concessionaire has foreclosed the contract w.e.f. 20-November-2020 exercising the force-majeure clause of the agreement due to global pandemic Covid-19. Three Vee Marketing Private Limited had revoked a petition under Section 9 of Arbitration and Conciliation Act with CHIAL for claiming business losses suffered by it owing to disruptions caused by the advent of Covid-19 and other factors. The arbitration proceedings began during the financial year 2021-22. Subsequent to the year ended 31-March-2023, the aforementioned arbitration proceedings were disposed-off on 31-July-2023 in favour of Three Vee Marketing Private Limited awarding a final amount of Rs. 353.89 lakh. However, CHIAL is not in agreement with the decision of the Arbitration Authority and appealed in the month of November, 2023 before the Learned District Judge, Commercial Court, District Court, Chandigarh. The matter is sub-judice. Accordingly, based on the advice of its legal counsels, the Management is of the view that the facts are in favour of the Company and the Company has good chances of success before the District Court. Therefore, no adjustment has been recorded in these financial statements.

- 38.3 PSPCL Case-The MOM No: 1/12/2015-EB(PR)/454, dated 16.05.2019 issued from the office of the Principal Secretary Power, Punjab related to power supply and grid connection of net metering issue of 3MW of solar plant and the same was approved by CHIAL at its 41st Board meeting held on 05.07.2019. PSPCL raised demand as per revised calculation by Dy CE enforcement Patiala, Memo. No. 743 dated 25.05.2023 amounting Rs. 427.13 lakh for electricity bill cycle period 2019 to 2023. CHIAL did not accept the revised calculation of PSPCL as it was not as per the MOM No: 1/12/2015-EB(PR)/454, dated 16.05.2019. The PSPCL official raised the above demand stating that there was an error in understanding the MOM issued by the O/s Principal Secretary Power, dated 16.05.2019 related to net metering connection provided.

CHIAL has filed a Civil Writ Petition against M/s PSPCL in the Chandigarh High Court. The matter has not yet been concluded. However, CHIAL has deposited 25% of demand amount under protest to M/s PSPCL as per the order of court. Based on the advice of its legal counsel, the management is of the view that the facts are in favour of the Company and the Company has good chances of success before the adjudicating authority. Therefore, no adjustment has been recorded in the financial statements.

39 Capital Commitments

- (a) Capital Commitments: Estimated amount of contracts remaining to be executed on capital account is Rs.12.44 lakh as on March 31, 2024
(b) Capital Commitments: Estimated amount of contracts remaining to be executed on capital account is Rs. 94.09 lakh as on March 31, 2023

40 Government Grant

During the financial year 2018-19 the Ministry of Commerce, under the "Trade Infrastructure for Export Scheme (TIES)," approved a government grant of Rs. 563 lakh for the project "Setting up of Centre for Perishable Cargo (CPC) at Chandigarh International Airport Limited." The Company received Rs. 281 lakh during FY 2018-19 and an additional Rs. 282 lakh during FY 2021-22.

Government grants are recognized only when there is reasonable assurance that the Company will comply with the associated conditions and that the grants will be received. Grants that require the Company to purchase, construct, or acquire non-current assets are recognized as 'deferred government grants' under non-current liabilities on the Balance Sheet and are deducted from the gross block of the asset upon capitalization.

During the current year, the cargo division has been capitalized, and the grant amount has been deducted from the gross block. As of March 31, 2024, the unutilized government grant amounts to Rs. 151.53 lakh. A separate bank account was opened in December 2022 to manage the Government Grant funds. The interest payable to TIES as of March 31, 2024, is Rs. 12.68 lakh, compared to Rs. 17.66 lakh in the previous year.

41 Other statutory information:

(i) No proceedings have been initiated or are pending against the Company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and the rules made thereunder.

(ii) The Company does not have any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956.

(iii) The Company has not been declared a wilful defaulter by any bank or financial institution or other lender.

(iv) The Company does not have any undisclosed income which is not recorded in the books of account that has been surrendered or disclosed as income during the year (previous year) in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

(v) Utilisation of Borrowed funds and share premium:

The Company has not advanced or loaned or invested funds to any other person or entity, including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or

(b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(vi) The Company has not received any fund from any person or entity, including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

(b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(vii) The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.

(viii) The Company has not availed borrowings from banks on the basis of security of current assets.

(ix) The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.

[All amounts are in rupees lakh except share data and earnings per share]

45.2 Defined Benefit Plans - Gratuity : Unfunded Obligation

a. Key Assumptions

The financial and demographic assumptions employed for the calculations as at the end of previous period and current period are as follows.

Actuarial Assumptions	As at March 31, 2024	As at March 31, 2023
Discount Rate (per annum)	7.25%	-
Salary Escalation Rate (per annum) *	5.00%	-
Withdrawal Rate (per annum)	10.00%	-
Normal Retirement Age	60 Years	-
Mortality Rate	IALM 2012-14	-

* The assumption of future salary increases takes into account inflation, seniority, promotions and other relevant factors such as supply and demand in the employment market.

b. Reconciliation of present value of obligation	As at March 31, 2024	As at March 31, 2023
Present value of obligation at the beginning of the year	-	-
Current Service Cost	0.58	-
Interest Cost	-	-
Remeasurement due to experience adjustments	-	-
Remeasurement due to financial assumption	-	-
Benefits Paid	-	-
Present value of obligation at the end of the year	0.58	-

c. Expenses recognized in the Statement of Profit and Loss	As at March 31, 2024	As at March 31, 2023
Current Service Cost	0.58	-
Net Interest Cost	-	-
Total expenses recognized in the statement of profit and loss for the year	0.58	-

d. Sensitivity Analysis	As at March 31, 2024	As at March 31, 2023
Defined Benefit Obligation (Base)	57,616 @ Salary Increase Rate : 5% , and discount rate : 7.25%	-
Liability with x% increase in Discount Rate	53,516 ; x=1.00% [Change (7)%]	-
Liability with x% decrease in Discount Rate	62,344; x=1.00% [Change 8%]	-
Liability with x% increase in Salary Growth Rate	62400; x=1.00% [Change 8%]	-
Liability with x% decrease in Salary Growth Rate	53,399; x=1.00% [Change (7)%]	-
Liability with x% increase in Withdrawal Rate	55,684; x=1.00% [Change (3)%]	-
Liability with x% decrease in Withdrawal Rate	59,459; x=1.00% [Change 3%]	-
The mortality rate does not have a significant impact on the liability, hence are not considered a significant actuarial assumption for the purpose of sensitivity analysis.

Chandigarh International Airport Limited
Summary of material accounting policies and other explanatory information to the
financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

1. CORPORATE INFORMATION & MATERIAL ACCOUNTING POLICIES

1.1 CORPORATE INFORMATION

The Chandigarh International Airport Ltd. ("CHIAL" or the 'Company'), was incorporated on January 28, 2010 as a joint venture company under Companies Act, 1956 by Airports Authority of India (AAI) in association with Punjab Government through Greater Mohali Area Development Authority (GMADA) and Haryana Government through Haryana Shahari Vikas Pradhikaran (HSVP) erstwhile Haryana Urban Development Authority (HUDA) to operate and maintain Chandigarh International Airport, a new state of art International Airport at Mohali, Punjab. As per the Joint Venture Agreement, the equity contribution is in the ratio of 51.00%, 24.50% and 24.50% respectively by AAI, GMADA and HUDA. AAI's contribution towards its share of equity is construction of the New Terminal Building and allied works. GMADA and HSVP have provided land for the said construction towards their equity contribution. CHIAL, commenced commercial operations on October 19, 2015.

1.2 MATERIAL ACCOUNTING POLICY

1.2.1 Basis of preparation of financial statements

The Ministry of Corporate Affairs (MCA) notified the Companies (Indian Accounting Standards) Rules, 2015 on 16 February 2015 laying down the roadmap for implementation of Indian Accounting Standards (Ind AS) to Indian Companies other than banking companies, insurance companies and non-banking financial companies (NBFCs). As per the roadmap, Ind AS is applicable to Chandigarh International Airport Limited from the financial year commencing on or after April 1, 2017. However, CHIAL adopted Ind AS in financial year 2015-16 voluntarily.

The financial statements have been prepared on accrual basis of accounting under historical cost convention, except for following financial assets and financial liabilities which are measured at fair value:

- Non-current financial assets such as security deposits are measured at fair value at initial recognition.
- Non-current financial liabilities such as security deposits from customers and lease rentals are measured at fair value at initial recognition.
- Defined benefit obligations related to employees.

The preparation of the financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenue and expenses, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results may differ from those estimates and assumptions, due to changes in facts and circumstances. Management reviews estimates on an ongoing basis using currently available information and any revision in the estimate is recognized in the period in which the same is determined.

The financial statements are rounded off in lakh. The financial statements comply with all applicable IND AS.

Chandigarh International Airport Limited
Summary of material accounting policies and other explanatory information to the
financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

1.2.2 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

1.2.3 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in Note 17.1 Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Critical accounting estimates

The following are the critical judgements that the Company has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statement. The following are the estimates used during the year.

Property, Plant and Equipment: Property, plant and equipment represent a significant proportion of asset base of the company. The charge in respect of periodic depreciation is derived after determining the estimate of an assets expected useful life and the expected residual value at the end of its life.

The useful life of fixed assets has been taken as per the Management estimates due to the nature of such asset.

Chandigarh International Airport Limited
Summary of material accounting policies and other explanatory information to the
financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

Provisions:

Provisions are determined based on management estimate required to settle the obligation at the balance sheet date.

Contingent liabilities:

Contingent liabilities are disclosed on the basis of judgment of management/independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Contingent assets:

Contingent assets are disclosed on the basis of judgment of management/independent experts.

Impairment of receivables:

The Management reviews its receivables for objective evidence of impairment periodically. Significant financial difficulties of the debtor, the probability that the debtor will enter bankruptcy, and default or significant delay in payments are considered objective evidence that a receivable is impaired. In determining this, management makes judgement as to whether there is observable data indicating that there has been a significant change in the payment ability of the debtor, or whether there have been significant changes with adverse effect in the technological, market, economic or legal environment in which the debtor operates in.

Where there is objective evidence of impairment, management makes judgements as to whether an impairment loss should be recorded as an expense. In determining this, management uses estimates based on historical loss experience for assets with similar credit risk characteristics.

Employee benefits:

The cost of defined benefit plans are determined using actuarial valuation, which involves making assumptions about discount rates, expected rates of return on assets, future salary increases, and mortality rates. Due to the long-term nature of these plans, such estimates are subject to significant

1.2.4 Property, plant and equipment (PPE)

Property, plant and equipment up to March 31, 2015 were carried in the balance sheet in accordance with Indian GAAP. The company has elected to avail the exemption granted by IND AS 101, "First time adoption of IND AS" to regard those amounts as deemed cost at the date of the transition to IND AS (i.e., as on April 1, 2015).

PPE are stated at their original cost of acquisition less accumulated depreciation. The cost includes cost of subsequent improvements thereto including non-refundable taxes, duties, freight and other incidental expenses related to acquisition and installation of the assets concerned. Advances paid towards acquisition of assets, outstanding at each balance sheet date are shown under capital advances. The cost of fixed assets not ready for its intended use on such date is disclosed as Capital work-in-progress.

Spares parts, stand-by equipment and servicing equipment procured along with the Plant & Machinery or subsequently which meets the recognition criteria, are capitalized and added in the carrying amount of such item. The carrying amount of those spare parts that are replaced is derecognized when no future economic benefits are expected from their

Chandigarh International Airport Limited
Summary of material accounting policies and other explanatory information to the
financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

use or upon disposal. Other machinery spares are treated as "stores & spares" forming part of the inventory.

If the cost of the replaced part or earlier inspection is not available, the estimated cost of similar new parts/inspection is used as an indication of what the cost of the existing part/ inspection component was when the item was acquired or inspection carried out.

1.2.5 Depreciation

Depreciation is provided on a Straight-Line Method ('SLM') over the useful life of the assets based on the Management's estimates of useful life of items included in PPE. Depreciation for assets purchased/sold during the financial year is proportionately charged. Pursuant to this policy, the rates of depreciation determined by the Management are as set out below:

Assets	Rates of depreciation
Land	0%
Aprons	19%
Roads, Bridges & Culverts (Carpeted)	19%
Roads, Bridges & Culverts (Non-Carpeted)	31.67%
Building Terminal/Other Buildings	3.17%
Buildings - Temporary	31.67%
Boundary Wall	3.17%
Computers & I.T. Hardware & Access	31.67%
Computers & I.T. - Servers	15.83%
Plant and Machinery/X-Ray Baggage System	6.33%
Tools & Equipment / Office Appliances	19%
Furniture and Fixtures Office / Other Than Office	9.50%
Vehicles - Cars & Jeeps/Motor Cycles	11.88%/9.50%
Electrical Installations & Equipment	9.50%

The assets having a cost of Rs. 5000 or less are charged off to expenditure in the year of payment.

Residual value of an asset is taken 5% of the original cost of the asset.

Depreciation method, useful lives and residual values are reviewed periodically, including at each financial year end.

1.2.6 Intangible assets and amortisation

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Intangible assets are recognized only if it is probable that future economic benefits that are attributable to the asset will flow to the enterprise. Computer software licenses are capitalized on the basis of costs incurred to acquire and put to use the specific software. Operating software is capitalized and amortized along with the related fixed asset.

Chandigarh International Airport Limited
Summary of material accounting policies and other explanatory information to the
financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the Statement of Profit or Loss when the asset is derecognised.

Amortization shall begin when the asset is available for use, i.e. when it is in the location and condition necessary for it to be capable of operating in the manner intended by management. The amortization method used shall reflect the pattern in which the asset's future economic benefits are expected to be consumed by the entity. If that pattern cannot be determined reliably, the straight-line method shall be used.

Useful life has been taken based on the estimates determine by the management.

Research costs are expensed as incurred. Development expenditures on an individual project are recognized as an intangible asset when the company can demonstrate:

- The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- Its intention to complete and its ability and intention to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete and the asset is available for use. It is amortized over the period of expected future benefit. Amortization expense is recognized in the statement of profit and loss.

During the period of development, the asset is tested for impairment annually.

1.2.7 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Normally at initial recognition, the transaction price is the best evidence of fair value.

However, when the Company determines that transaction price does not represent the fair value, it uses inter-alia valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy. This categorisation is based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Chandigarh International Airport Limited
Summary of material accounting policies and other explanatory information to the
financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value - “Measurement is directly or indirectly observable”.
- Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value - “Measurement is unobservable”.

Financial assets and financial liabilities that are recognised at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

1.2.8 Financial assets

A financial asset includes inter-alia any asset that is cash, equity instrument of another entity or contractual obligation to receive cash or another financial assets or to exchange financial asset or financial liability under condition that are potentially favourable to the Company. A financial asset is recognized when and only when the Company becomes party to the contractual provisions of the instrument.

Financial assets of the Company comprise cash and cash equivalents, Bank Balances, Advances to employees/ contractors, security deposit, claims recoverable etc.

a. Classification

The Company classifies its financial assets in the following categories:

- i) at amortized cost,
- ii) at fair value through other comprehensive income (FVOCI), and
- iii) at fair value through profit or loss (FVTPL)

The classification depends on the following:

- i) The entity's business model for managing the financial assets and
- ii) The contractual cash flow characteristics of the financial asset.

b. Initial recognition and measurement

All financial assets except trade receivables are recognised initially at fair value and in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit or Loss. Where transaction price is not the measure of fair value and fair value is determined using a valuation method that uses data from observable market, the difference between transaction price and fair value is recognized in Statement of Profit or Loss and in other cases spread over life of the financial instrument using effective interest rate method.

The company measures the trade receivables at their transaction price, if the trade receivables do not contain a significant financing component.

Chandigarh International Airport Limited
Summary of material accounting policies and other explanatory information to the
financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

c. Subsequent measurement

After initial measurement, financial assets classified at amortised cost are subsequently measured at amortised cost using EIR method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss.

Financial assets classified at fair value through other comprehensive income, are at each reporting date, recorded at fair value. Fair value changes are recognized in FVOCI. However, the company recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the income statement. On de-recognition of the financial asset other than equity instruments, cumulative gain or loss previously recognised in FVOCI is reclassified to income statements.

Any financial asset that does not meet the criteria for classification as at amortized cost or as financial assets at fair value through other comprehensive income, is classified as financial assets at fair value through profit or loss. Financial assets at fair value through profit or loss are fair valued at each reporting date with all the changes recognized in the income statement.

d. De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

e. Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as impairment gain or loss in profit or loss.

1.2.9 Inventories

Stores/spares other than recognized as property, plant & equipment are treated as inventory, which are charged to the Statement of Profit and Loss as and when they are consumed.

Chandigarh International Airport Limited
Summary of material accounting policies and other explanatory information to the
financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

These are measured at cost. Cost is determined using the First-in, First-out (FIFO) method. The costs of purchase consist of the purchase price including duties and taxes (other than those subsequently recoverable by the enterprise from the taxing authorities), freight inwards and other expenditures directly attributable to the acquisition. Trade discounts, rebates, duty drawbacks and other similar items are deducted in determining the costs of purchase.

Provision for obsolescence is made wherever necessary.

1.2.10 Revenue recognition

Effective from April 1, 2018, Ind-AS 115 has been notified by MCA which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. CHIAL has adopted Ind AS 115 from 1st April 2018 using the modified approach.

- Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.
- The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:
 1. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the company performs; or
 2. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
 3. The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions is not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

- The Company uses Input/output Method to measure an entity's progress towards complete satisfaction of a performance obligation satisfied over time.
- Revenue is measured based on the transaction price, which is updated at each reporting period. It is the consideration, adjusted for volume discounts, service level credits, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Aeronautical Revenue includes revenue from all regulated charges levied at CHIAL i.e. Parking Charges, User Development Fee, and Cargo (X-Bis Screening Charges) are being recognized at the rates prescribed by Airport Economic Regulatory Authority (AERA) & Common user terminal equipment charges (CUTE) and Baggage reconciliation system (BRS) fee are recognized as per the contract rates. Extension of Watch hours is charged as per applicable rates. User Development Fees is recognized in respect of each embarking passenger at a specified rate as approved by AERA.

Chandigarh International Airport Limited

financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

Non-Aeronautical Revenue means all revenue streams other than Aeronautical Revenue. The same consists of (i) revenue from concessions (ii) rents and land leases; (iii) food and beverage concessions; (iv) utility charges; and (v) other non-aviation related charges are recognized based on the terms of contractual agreement.

Interest is recognised using the time proportion method based on rates implicit in the transaction. Award fees and tender fees are recognised on an accrual basis in accordance with the terms of the relevant arrangement.

1.2.11 Employee benefits

The employees on the payroll of the Company consist of two types:

- i) Employees on a deputation/cost-reimbursement basis from the Airports Authority of India (AAI);
- ii) Employees hired by the Company on fixed-term contracts.

For the deputed employees, statutory deductions for retirement benefits are remitted to AAI, and the costs associated with their employment are recorded based on the gross amounts reimbursable to AAI, including actuals for performance related pay and other reimbursements. Consequently, the liabilities for retirement and other employee benefits for these employees are reflected in AAI's accounts.

In respect of employees on the roll of the Company on contractual basis, the following employee benefits are available:

Short-term employee benefits

Short-term employee benefit includes salaries/short-term cash bonus and such obligations are measured at an undiscounted amount and are expensed as the related service is provided. A liability is under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably. These costs are recognized as an expense in the Statement of Profit and Loss at the undiscounted amount expected to be paid over the period of services rendered by the employees to the Company.

Long-term employee benefits

a. Defined contribution plan

Defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes monthly contributions to statutory provident fund (Government administered provident fund scheme) in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 which is a defined contribution plan. Obligations for contributions to defined contribution plans are recognized as an employee benefit expense in statement of profit or loss in the period(s) during which the related services are rendered by employees.

Chandigarh International Airport Limited
Summary of material accounting policies and other explanatory information to the
financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

b. Defined benefit plan

Defined benefit plan is a post-employment benefit plan other than a defined contribution plan. Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. The Company's liability is determined on the basis of an actuarial valuation using the projected unit credit method as at the Balance Sheet date. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using discount rate with reference to the market yield on government bonds at the end of reporting period. The Gratuity plan of the Company is un-funded.

Defined benefit costs are categorised as follows:

The current service cost of the defined benefit plan, recognised in the Statement of Profit and Loss in employee benefits expense, reflects the increase in the defined benefit obligation resulting from employee service in the current period, benefit changes, curtailments and settlements. Past service costs, which comprise plan amendments and curtailments, as well as gains or losses on the settlement of benefits are recognised immediately in the Statement of Profit and Loss when they occur.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation. This cost is included in finance cost in the Statement of Profit and Loss.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability, are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

1.2.12 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets

Chandigarh International Airport Limited
Summary of material accounting policies and other explanatory information to the
financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

are depreciated on a straight-line basis over the estimated useful life of the assets. The right-of-use assets are also subject to impairment.

Lease liabilities

At the commencement date of the lease, the Company recognises lease rental liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable.

Short-term leases and leases of low-value assets

The Company applies the short-term lease and low-value assets recognition. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

As a lessor

Lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership and an operating lease is a lease other than a finance lease.

Whether a lease is a finance lease or an operating lease depends on the substance of the transaction rather than the form of the contract. Examples of situations that individually or in combination would normally lead to a lease being classified as a finance lease are:

- (a) The lease transfers ownership of the asset to the lessee by the end of the lease term;
- (b) The lessee has the option to purchase the asset at a price that is expected to be sufficiently lower than the fair value at the date the option becomes exercisable for it to be reasonably certain, at the inception of the lease, that the option will be exercised;
- (c) The lease term is for the major part of the economic life of the asset even if title is not transferred;
- (d) At the inception of the lease the present value of the minimum lease payments amounts to at least substantially all of the fair value of the leased asset; and
- (e) The leased assets are of such a specialised nature that only the lessee can use them without major modifications

Lease income from operating leases is recognized in income on a straight-line basis over the lease term of relevant lease.

financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

1.2.13 Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the company operates and generates taxable income.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the company's financial statements and the corresponding tax bases used in the computation of taxable profit and are accounted for using the balance sheet liability method.

Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, unused tax losses and unused tax credits can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from the initial recognition of an asset or liability in a transaction that at the time of the transaction affects neither the taxable profit or loss nor the accounting profit or loss.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities, and when the deferred income tax assets and liabilities relate to income taxes levied by the same taxation authority on either the taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

Chandigarh International Airport Limited
Summary of material accounting policies and other explanatory information to the
financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

1.2.14 Earnings per share

The earnings considered in ascertaining the company's Earnings per share comprise of the net profit attributable to equity shareholders. The number of shares used in computing the basic earnings per share is the weighted average number of equity shares outstanding during the year. For calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

1.2.15 Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/loss before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

1.2.16 Provisions and contingent liabilities

Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities

Contingent Liabilities are disclosed when the Company has a possible obligation that arises from past events and whose existence will be confirmed by occurrence or non-occurrence of one or more uncertain future events or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources will be required to settle the obligation.

1.2.17 Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the cash-generating unit to which

Chandigarh International Airport Limited
Summary of material accounting policies and other explanatory information to the
financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

the asset belongs. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. An impairment loss is reversed only to the extent that the carrying amount of asset does not exceed the net book value that would have been determined; if no impairment loss had been recognised.

1.2.18 Government grants

Government grants, whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognized and disclosed as 'deferred income' under non-current liability in the Balance Sheet and reduced from the gross block of the asset at the time of its capitalization.

Government grants are not recognized until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received. Government grants are recognized in the Statement of Profit and Loss on a systematic basis over the years in which the Company recognizes as expenses the related costs for which the grants are intended to compensate or when performance obligations are met.

1.2.19 Segment reporting

Operating Segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company. The business activities of the company involve operating an airport and providing allied services. Accordingly, there is no other reportable segment as per Ind AS 108 Operating Segment.

1.2.20 Events after Reporting Date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed

1.2.21 Standards issued and effective

Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2023 dated 31-March-2023 to amend the following Ind AS which are effective from 01-April-2023. However, these amendments does not have an impact on Financial Statements and material accounting policy information.

Ind AS 1 - Presentation of Financial Statements - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after 01-April-2023. The Company has evaluated the amendment, and the impact of the amendment is insignificant in the Company's financial statements.

Chandigarh International Airport Limited
Summary of material accounting policies and other explanatory information to the
financial statements for the year ended 31-March-2024
[All amounts are in rupees lakh, except share data and earnings per share]

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after 01-April-2023. The Company has evaluated the amendment and there is no impact on its financial statements.

Ind AS 12 - Income Taxes - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after 01-April-2023. The Company has evaluated the amendment and there is no impact on its financial statement.

1.2.22 Standards notified but not yet effective

There are no standards that are notified and not yet effective as on the date.
