PRESS RELEASE:

AAI RELEASE CALENDAR 2011

New Delhi, 22nd December, 2010 - As is known, Aviation in India has turned 'Hundred' on 10 December 2010, an important 'Historical Milestone'. Airports Authority of India being the Mainstay of Aviation in India and in keeping with the well established high traditions, is aptly commemorating this historical moment by dedicating the Calendar & Greeting Cards for 2011 to Indian Aviation. The unique aspect of the calendar & the cards being that this is the first time ever that a calendar has been produced on recycled paper, gainfully utilizing recycled paper that is produced from waste paper collected from the offices of AAI. What makes the calendar even more special is the fact that the water used in the process of recycling of paper is also put to use for watering the adjoining lawns near the recycled paper unit which makes it an out and out and truly a "Green Calendar".

Highlighting the '**Theme of Aviation**', the cards & calendar have Vintage Aircraft & the State of Art Airports created by AAI as viewed from the Artist's Eye. This undoubtedly depicts the long strides taken by AAI in providing world class airport infrastructure thus, ensuring that AAI is not only fulfilling the need of the hour but also keeping pace with the Aviation fraternity at large.

In this venture of celebrations AAI has been ably & duly assisted by AAIWWA (Kalyanmayee) an extended arm of AAI under whose aegis the CSR projects are being executed. It would be heartening to note that AAI is the first PSU in the country to establish a Paper Recycling Unit under CSR. This does contribute to sustainable growth too.

Shri VP Agrawal, Chairman AAI, has been kind & gracious to Release the Calendar & Cards at the Corporate Office of AAI in presence of the Whole Time Board Members of AAI Board, President AAIWWA & other Senior Executives of AAI.
