PRESS RELEASE

Subject :-IMS certification 9001/14001/18001 for aircraft fire & rescue training programmes conferred upon AAI Fire Training Centre.

New Delhi, 18th June 2015: IMS certification 9001/14001/18001 for aircraft fire & rescue training programmes conferred upon AAI Fire Training Centre was presented by the Chairman, AAI, to the Fire Training Centre during Fire Service Week function recently. With this accreditation, AAI's Fire Training Centre has become the only Fire Training Institute in India to receive such a standards certification in Aircraft Rescue & Fire Fighting Training.

Integrated Management System (IMS) Certification covers the requirement of ISO 9001:2008(Quality Management System), ISO 14001:2004 (Environmental Management System) and OHSAS 18001:2007 (Occupational Health and Safety Management System) Standard.

Besides this, FTC has already been accredited with ICAO Train Air Plus Associate Membership for developing Standardized Training Programmes of Global Standard.
