Commendation

I take this opportunity to extend my heartfelt appreciation towards the exceptional decoration done at your airport on the occasion of Independence Day - 2019. The efforts by your team in choosing local themes; laying of impressive Rangoli patterns and lighting of the terminal building is commendable. This earned you **1st position** in the contest held for the best decorated airport in **Category-I Airports**.

2. I once again would like to acknowledge you and your team and congratulate for the hard work and dedication. I wish that you and your team will continue with the same spirit in future also.

3. Wishing all the best and good luck ahead,
