India.

(Kind Attention: Shri. Pravat Ranjan Beuria, Airport Director, AAI, Kolkata)

Subject: Approval of Airport Noise Zone developed by Netaji Subhash Chandra Bose International Airport, Kolkata

Sir,

Reference is invited to the G.S.R 568(E) dated 18/06/2018, on Airport Noise Zone area at Airports to define Noise Contour for day and night period, considering all approach and departure funnels and Instrument Flight Procedures in consultation with airports Air Navigation Service Provider as per the Master Plan of the Airport.

In this regard, Netaji Subhash Chandra Bose International Airport, Kolkata has carried out the study in consultation with M/s. Acoem Ecotech Industries Pvt. Ltd. and developed the Airport Noise Zone, document no.: NM_CCU_June24_RevC dated February 2025. The submitted document has been examined in accordance with G.S.R 568(E) issued by Ministry of Environment, Forest and Climate Change (MoEFCC) dated 18/06/2018 and found satisfactory.

DGCA shall review the noise contour of Netaji Subhash Chandra Bose International Airport, Kolkata after two years and based on the satisfactory evaluation the approval will be renewed further for another two years.

This approval shall remain valid for a period two years from the date of issue unless suspended/revoked/cancelled. The airport operator shall display the approved noise zone on their official website.

Yours faithfully
