

For Immediate Release

Today 20th 2011, Airports Authority of India, New Delhi

New Passenger facilities at Patna Airport

Airports Authority of India keeps on providing new facilities for the passengers & airlines as a regular exercise at its various airports.

Recently many new passenger facilities have been introduced at Jai Prakash Narayan International Airport, Patna for the comfort of passengers like new cyber café, shoe shiners machine; additional visitor chairs; money exchange counter, mini snack & pharmacy counter outlets.

For the Safety & Security of passengers which is the prime responsibility of AAI; following initiatives have been taken: -

(1) Provision of new fire & rescue vehicles (2) Perimeter lighting (3) Runway Re-carpeting (4) Provision of New Ambulances (5) Increase in the height of boundary wall in operational area (6) Additional ramp for parking of Airline equipment.

In addition to above CCTV have been installed & barrack accommodation has been provided for CISF Personnel. Also new furniture has been placed in the reserved lounge & new look has been given by beautifying the city side of Patna Airport.
