- **National Media Conclave (NMC), Award-2023**

- National Media Conclave (NMC) held on 21st November 2023 in Bhubaneswar, Odisha. The 3-day conclave with the broad theme – ‘Digi-Tech, Media and Democracy’ - aimed to look critically into the digital ecosystem that is disrupting and converging state and society’s behaviour in all spheres of human activities as well as democratic processes in different contexts.

Institute of Media Studies (IMS), Utkal University, Bhubaneswar, Odisha organized Conclave on different organizations for the outstanding contributions in the fields of media education, communication, PR, advertising, event management etc. with NMC Awards-2023.

The 7th National Media Conclave-2023 confers Award of Excellence on Airports Authority of India (AAI) in the category of Best Public Sector Organization Implementing CSR for outstanding contribution towards implementation of Corporate Social Responsibility (CSR) initiatives and well-being of communities & society through environmental and social measures. AAI with its PAN Indian presence has envisioned, executed and managed flagship CSR projects with a wide geographical spread and larger social impact with focus on inclusive growth of marginalized and deprived sections of the society. It has contributed immensely towards promoting healthcare services to underprivileged population. The AAI’s major thrust areas of CSR initiatives includes promotion of cultural heritage, rural sports, nutrition, skill development, community development, education, environment, sanitation and Sustainable Development Goals (SDGs).
