

Airport Director, Raja Bhoj Airport, Sh. Ramjee Awasthi welcomed the new officers by presenting them with bouquet of flowers. He gave them brief information on aviation sector & the criticality & importance of AOS in aviation. He hailed them as the future of AAI & aviation in India.

Seven newly joined Junior Executive officers recruited recently in Airports Authority of India (AAI) in Airport Operations Services (AOS) department have reported for their On-job-training (OJT) at Bhopal Airport on 15.07.2024. The trainees also introduced themselves to the other senior officers of AAI, Bhopal. The OJT will continue for next 4 weeks wherein AAI, Bhopal will prepare these trainees for their future role as they embark on the phenomenal journey towards excellence and innovation in AAI.
