TECHNICAL INSTRUCTION NO. 31

Subject: Operation of Clause 10CA – Inclusion of foot note in tender Documents-Reg.

1. During CTE type inspection of one of the work by Vigilance Directorate, it has been pointed out that in some of the tender documents issued prior to issuance of GCC- 2017, dissimilarities have been noticed in operation of Clause 10CA where in some tender documents are carrying a foot note in clause 10CA **'If actual purchase price of material is less than base price P and $CI \geq CIO$ then this clause shall not be applicable'**. whereas in some of the tender documents the same has not been added resulting in conflict in interpretation of Clause 10CA and its applicability.
2. Therefore, in order to bring more clarity in interpretation and operation of Clause 10CA in contract agreement, henceforth it is enjoined upon all concerned that Clause 10CA conditions in all the tender should be invariably be provided with foot note.

'If actual purchase price of material is less than base price P and $CI \geq CIO$ then, this clause shall not be applicable.'

Accordingly, necessary amendment in tender document should be made with immediate effect.

All technical Instruction issued are available at AAI website under following path:
www.aai.aero/en => Emp Login => Circulars & Orders (Double click) => Check Circulars only => Department type (Engg.) → check all 3 options => Circular Type (Technical) → check all 3 options => Search
