Technical Instruction No.35.....

Sub: Multiple A/A & E/S of various packages under one scheme/ projects shall be treated as separate.

1. The Vigilance Dte. during examination of a complaint has observed that multiple A/A & E/S were issued for different packages during the execution of work and on completion of projects all A/A & E/S were clubbed together to arrive at the conclusion that the overall completion cost is within the permissible limits of $\pm 10\%$ of all available A/A & E/S.
2. As per standard AAI guidelines composite A/A & E/S is issued for the all associated works in a project. However, if multiple A/A & E/S are issued due to unavoidable circumstances and site requirement then the permissible variation limit of $\pm 10\%$ of accorded Multiple A/A & E/S of a particular project shall not be apportioned between each other and accordingly savings of one A/A & E/S shall not be allowed to utilize in another A/A & E/S issued for the same project. Each A/A & E/S shall be treated as separate.
3. The above instructions may be brought to the notice of all the concerned for strict compliance.
4. All technical Instruction issued are available at AAI website under following path:
www.aai.aero/en => Emp Login => Circulars & Orders (Double click) => Check Circulars only => Department type (Engg.) → check all 3 options => Circular Type (Technical) → check all 3 options => Search
