Economy, Tourism and Trade

Tiruchirappalli, commonly referred as Trichy a Rock City, is situated on the banks of river Kaveri. Trichy has a fine blend of temples and monuments and is a great travel destination. The city has a Rock Fort which is about 83 meter in height and is about 3,800 million years old; it is considered to be older than the Himalayas. Historic but also, majestic is the Sri Ranganatha Swami Temple with 21 Gopurams which is situated in Sri Rangam about 7 km from Trichy. The Raja Gopuram of this temple is considered to be largest in South India. Thus, a very popular Tourist attraction, besides pilgrimage centre.

Rock Fort Temple

Trichy's economy has a broad industrial base in the automobile, technology, hardware manufacturing, and healthcare industries. This city is Tier - II city in Tamil Nadu and has modern state of art Tidal Park. Once the Tidal Park commissioned the exporter of software, information technology (IT) and information-technology-enabled services (ITES) will begin.
