

F. No. AAI/CHQ/ITD/ Tech- Circular/2021 /230-41

Dated: 24/09/2021

TECHNICAL CIRCULAR NO - 01/2021

**Subject: Systematic Improvement - Inclusion of Public Procurement
(Preference to Make in India) Order, 2017**

It has been observed that in some of the tenders being executed by IT Dte, the clause with respect to Public Procurement (Preference to Make in India) Order, 2017 (subsequent revision issued on 16th Sep 2020) has not been included thus resulting in non-compliance and subsequent representations by the prospective bidders to DPIIT.

In order to avoid such situations in the future, it must be ensured that the PPP-MII clause as per the Public Procurement (Preference to Make in India) Order, 2017 (subsequent revision issued on 16th Sep 2020) is included in all the tenders, wherever applicable.

In addition, it must also be ensured that preferred list of make/model is not included in the tender documents as this may be restrictive.

This is issued with approval of the competent authority.
