Further email and alert message were sent to candidates, who have not given their willingness with the direction to send scanned copy of their acceptance letter by 20th June, 2016

It was mentioned in the email that in case they failed to report for training it will be presumed that they are no longer interested in the employment of AAI and the offer of Appointment issued to them shall stand cancelled and withdrawn without further notice.

However, it has been reported that in spite of giving the reminder as stated above, the above mentioned candidates have not reported for training to their respective training Centres even after expiry of the scheduled date.

Now, therefore last and final opportunity is being given to the above candidates for giving their acceptance by 24th August, 2016 failing which the offer of appointment shall stand cancelled and withdrawn without any further notice.
