

CHANDIGARH INTERNATIONAL AIRPORT

1st Edition | November 2020

Revamped Apron Area: New Apron has been recently completed in order to park more number of aircrafts in stands and to provide night parking etc. to code 4C type of aircrafts. Now a total of 23 aircrafts can be parked at any given time at Chandigarh International Airport. This is the first time when IPS pavers blocks has been used at airport in India for construction of Apron. The blocks are more flexible and there will be less cracks compared to cement pavement. The bay marking work is in progress with commissioning of bays. There will be big capacity addition in Aircraft parking from 09 to 23 bays.

Integrated Cargo Complex: An Integrated Cargo Complex is under construction at the Airport. This cargo complex will handle domestic as well as international cargo including perishable cargo. The facility will have built up area of 2200 sqmtr approximately and will be completed by March 2021. The cargo complex will be equipped with all the latest equipment's viz. reefer van Fork lifts, scissor lift, pallets, user friendly weighing scale, trolleys etc. for smooth functioning. This will help boost the cargo in the Region.

New beginning with Smart Pushback System

The Airport has started trial run of remote operated e- pushback system, first time in India provided by M/s Indo-Thai. A big idea in a small format. Mototok is fully electric drive and Revolutionary in its simplicity as well as extremely compact with very high performance. With the remote-control feature of the Mototok, the operator is able to move anywhere around the aircraft to see every vantage point. The operator's eyes never leave the aircraft while it is in movement.

Features:

- Extreme low height
- Only one person required for operations
- Radio remotely controlled
- Electrically powered
- Flexible use for all aircrafts up to 195 ton

Taxiway Extension: A taxiway link of 900 mtr. from runway 20 to taxiway H is under construction. The taxi link will allow aircraft to vacate runway faster, permitting other aircraft to land or takeoff in short duration. The project is likely to be completed by March'21.

Air Taxi: M/s Aviation Connectivity & Infrastructure Developers Pvt. Ltd. is expected to start operating its Air taxi at CHIAL from December 2020. Air taxi shall operate its twin-engine aircraft on RCS routes and it shall be first of its kind scheduled commuter airlines service. Apart from movement to/from Hisar, the Air Taxi shall also be available for Non-Scheduled movements in due course.

SKYBOOKS360 - A New E-Business Solution: Airports Authority of India signed an agreement with Chandigarh International Airport for providing SKYBOOKS360 on 06th Nov, 2020 in New Delhi. The web based SKYBOOKS360 is a unique system to provide an integrated E-business solution to Airport operators. It is a comprehensive end to end solution for invoicing, financial management, accounting services and reporting, with interactive dash board reporting, combining all aviation related complex processes, on a single platform.

Swachhta Pakhwada: Special cleanliness drives were conducted as part of the 'Swachhta Pakhwada' organized at the Chandigarh Airport from 1st Nov to 15th Nov' 20. Cleanliness drive, distribution of masks to housekeeping staff, drawing competition for housekeeping staff children was organized as part of the drive. On the concluding day of Swachhta Pakhwada on November 18th, CEO, Shri Ajay Kumar described 'Swachhta' as a continuous process, which should be inculcated right from childhood. He urged all to keep the airport premises clean and shoulder the responsibility of making India clean.

CHIAL observed Vigilance Awareness Week

Vigilance Awareness Week-2020 was observed at Chandigarh International Airport in a befitting manner and with great enthusiasm from October, 27 to November 02 in line with directives from Central Vigilance Commission with the theme "Vigilant India, Prosperous India". During the week, several programmes were conducted like taking integrity pledge, essay and slogan competition. Apart from these, outreach activities for passengers like grievance redressal camp, quiz competition on anti-corruption, display of banners at various prominent locations of airport and vendors' sensitization programme were organized.
