

Exciting news for aspiring aviation professionals! Bhopal is set to get its second Flying Training Organisation. Starlingwings Aviation Pvt. Ltd. (SAPL) will establish flying training academy at Bhopal soon. Today agreement was signed between AAI & SAPL. The FTO will have capacity to train 30 aspiring pilots with modern training facilities which will gradually increase. In the 1st phase 3 DA40 single-engine aircraft will be inducted followed by a twin-engine DA42 aircraft. Operations expected to begin by January 2027.
