AAI's paper recycling unit gets laurels

AAI's paper recycling unit earned ISO 140001 : 2004 certificate for recycling of paper and its utilisation. AAI holds the distinction of being the first PSU to establish a paper recycling unit to support the concept -'GROW' (Government Recycled Office Waste). The unit converts paper waste collected from various offices of AAI across the nation and uses it for

various day to day stationery products required in its offices which includes folders, visiting cards, envelopes, letter heads, corporate gifts, calendars, etc. The paper unit has also earned laurels for AAI through its meritorious awards such as Golden Peacock Innovation Award, 2012, Times of India - Teflas CSR Award, to name a few.

AAI's paper unit gets ISO certification

AAI's Paper Recycling Unit earned ISO 14001:2004 certificate for recycling of paper and its utilization. AAI is the first PSU to establish a paper recycling unit to support the concept -- "GROW" (Government Recycled Office Waste). The unit converts paper waste collected from various offices of AAI across the nation and uses it for stationery products required in its offices.
