

✈ Parallel Taxi Track (PTT) project at Raja Bhoj Airport , Bhopal progresses ahead.

As part of the development of the new Parallel Taxi Track, the ground-breaking ceremony for dismantling the portion of the old apron falling within the PTT alignment was carried out on 29.05.2026 by Airport Director Shri Ramjee Awasthi in the presence of CISF Commandant Shri Atul Bhanotra and senior AAI officials.

✈ Parallel Taxi Track (PTT) project at Raja Bhoj Airport, Bhopal progresses ahead!

As part of the development of the new Parallel Taxi Track, the ground-breaking ceremony for dismantling the portion of the old apron falling within the PTT alignment was carried out on 29.05.2026 by Airport Director Shri Ramjee Awasthi in the presence of CISF Commandant Shri Atul Bhanotra and senior AAI officials.

The proposed PTT will enhance operational efficiency, reduce runway occupancy time, and strengthen the airport's capacity to handle future growth in air traffic.

Enhanced Efficiency

Reduced Runway Occupancy Time
