## **Press Release**

### **AAI observed the Special Campaign 3.0 for Swachhta at its Airports & Establishments**

**New Delhi, 2<sup>nd</sup> November, 2023:** In line with the Hon'ble Prime Minister's vision of "Swachh Bharat", Airports Authority of India observed the Government of India's Special Campaign 3.0 at its airports and establishments from 2<sup>nd</sup> October 2023 to 31<sup>st</sup> October, 2023 as per GoI's guidelines, minimising pendency and institutionalising Swachhata in Government.

The Campaign at AAI Airports included indoor & outdoor cleaning of identified sites, record management in field/outstation offices, weeding out of files and disposing public grievances, appeals and references from the Members of Parliament & State Governments. Under this one-month long campaign, Special cleanliness drives were carried out at AAI airports and associated offices which included inspection of water tanks, disposal of scrap materials and obsolete items. At various Regional Headquarters and many airports across the country, Yoga rooms have been developed at spaces freed after cleaning scrap, baggage etc. transforming underutilised office spaces into productive yoga rooms.

Under this campaign, a total of 16296 files were reviewed for weeding out and 9987 files were weeded out at various airports. Cleanliness campaign was carried out at 126 locations/airports and scrap were disposed at 90 locations. A total of 36124 Sqm. was freed and Rs. 1,41, 69 157/-of revenue generated from scrap disposed.

Earlier in the preparatory phase from 14<sup>th</sup> September 2023 to 31<sup>st</sup> September 2023, campaign sites were finalised across offices, and officials were sensitised and mobilised for effective implementation and success of the campaign.
