AAI signs Training Agreement with IATA for online course

New Delhi, 04th December, 2019: AAI has signed a training agreement with the International Air Transport Association (IATA) for online course on 'Overview of the Air Transport System'. The agreement was signed between Mr. Anuj Aggarwal, Member (HR), AAI and Ms. Stephanie Siouffi, Director IATA-Training, during the 6th ICAO Global Aviation Training & TRAINAIR PLUS Symposium on 'Innovative Training for New Horizons' being organized from 4th-6th December, 2019 at New Delhi.

The online training course will help in providing fundamental knowledge of Air Transportation System and shall cover overview of World Aviation Organizations, Airports, Air Navigation Services and Civil Aviation Authorities. The agreement has been signed to impart training to 500 AAI employees over a period of six months.
