

PRESS RELEASE

AAI & IATA join hands to train 4000 AAI officials for skill development in Airport Management as per Global standards.

21st July, 2015, New Delhi An agreement was signed between AAI & IATA for imparting training to 4000 AAI officials for skill development in Airport Management as per Global Standards. The agreement was signed in the presence of Mr. R.K.Srivastava, Chairman, AAI and Mr.Victor De Barrena, Director, ITDI, IATA by Mr. Rajesh Bhandari, Executive Director Finance, AAI & Mr. Ayaz Hussain, CFO, IATA on 7th July, 2015 at IATA Hqrs, Geneva.

Mr. R.K. Srivastava, Chairman AAI said, India is emerging as an important player- both as a growth market for international aviation and also a key player in the community of key global aviation powers, adding the domestic aviation growth can be orchestrated into a larger opportunity for the country. “So there is a need to address the training needs of AAI officials and to invest in creating and expanding its pool of airport and air navigational services professionals who are well versed with the critical global aviation issues such as operations, safety,laws,economics and climate change, among others, “ he said.

With the increase in air traffic, the airport and air space infrastructure capacity has increased manifold and this requires a constant upgraded training to these officials, he said. AAI has more than 18,000 staffers on its rolls and 125 airports under its management.
