

## **AIRPORTS AUTHORITY OF INDIA** **PRESS RELEASE**

**Subject: Aviation Safety Week kicks off at Regional Headquarter, Western Region, Mumbai**

**Mumbai: 25<sup>th</sup> November 2019**

Airport Authority of India Western Region, Mumbai has kicked off the Aviation Safety Week which is scheduled from 25<sup>th</sup> to 29<sup>th</sup> November 2019. It was inaugurated by RED-WR, Mumbai Shri G Chandramouli on 25<sup>th</sup> November 2019. The Safety Week includes activities designed to improve awareness regarding aviation safety standards.

Shri Chandramouli, at the inauguration spoke about the importance of safety in Aviation Industry and emphasised on strictly following prescribed standards to avoid any incident at Airports.

The Aviation Safety Awareness has always been one of the vital issues for the Aviation Industry and due to rapid increase in growth of air traffic; it demands continuous monitoring of the trends. To meet the challenges, there has been adequate increase in infrastructure like modernization of airports, automation in ANS, operating of more number of airports under RCS. As the industry grows the number of safety requirements are also growing and that is why the safety awareness amongst the industry personnel has become the top priority, he added.

Shri Y D SORTE, JT GM (Aviation Safety) briefed about the activities needed to be performed by the HODs during the week.
