AAI started the Special Campaign 2.0 for Swachhata at its Airports & Establishments

New Delhi, 03rd October 2022: In line with Hon'ble Prime Minister's vision of "Swachh Bharat", Airports Authority of India started the Government of India's Special Campaign 2.0 at its airports and establishments from 02nd October 2022 with focus on Swachhata. The Government of India has announced Special Campaign 2.0 from 02nd October to 31st October 2022 reinforcing importance of timely disposal of references and a clean work space.

On 01st October, 2022, Shri. Jyotiraditya M Scindia, Hon'ble Union Minister of Civil Aviation kickstarted the Special Campaign 2.0 at AAI's Bhopal Airport. He emphasized the importance of cleanliness while addressing the employees and stakeholders at the airport.

The Campaign includes indoor & outdoor cleaning of identified sites, record management in field/outstation offices, weeding out of files and disposing public grievances, appeals and references from the Members of Parliament, State Governments & Parliament Assurances. Under this one-month long campaign, Special cleanliness drive will be carried out at AAI Airports and associated offices which includes inspection of all water tanks, disposal of scrap materials and obsolete items. With an objective to improve record management at offices, efforts will be undertaken for Digitization of Physical records and Space Management Planning.

Earlier in the preparatory phase from 15th September 2022 to 31st September 2022, campaign sites were finalized across offices and officials were sensitized and mobilized for effective implementation of the campaign.
