**AIRPORTS AUTHORITY OF INDIA RELEASED NATIONAL REGISTER 2017**

**New Delhi, 27<sup>th</sup> September 2017:** Airports Authority of India (AAI) which is managing 126 airports (including Civil Enclaves) have taken up the onerous task of preparing a comprehensive National Register containing details of all Civil\_Airports/ Airstrips in the country and the work carried out is first of its kind.

The National Register 2017 contains details pertaining to Airports/Airstrips owned by State Governments, private organisations and Joint Venture Airports in addition to the airports owned/ managed by AAI.

The details / data will be valuable for planning of development of airports especially under Regional Connectivity Scheme (RCS).

The details of 288 airports/ airstrips could be of use for emergency landing, disaster management/ Defence and security related activities.
