**28<sup>th</sup> July, 2016**

Airports Authority of India (AAI), organised a massive Tree Plantation Drive at New Quarters, Residential Complex, NSCBI Airport, Kolkata on 27.07.2016. The drive was initiated by Sh. Sanjay Jain, Regional Executive Director (Eastern Region) in the august presence of officials of AAI, by planting several saplings. During the drive more than 1500 saplings were planted at and near difference airports of Eastern Region including Kolkata Airport. The drive was not just to plant saplings, but a pledge to nurture them, so they flourish and go on to become trees. Sh. Jain said that each employee of AAI must plant at least one tree every year to make this earth a green planet. Mrs. Vandana Jain, President of Kalyanmayee (Eastern Region)( AAI's Women Welfare Association) also participated in the event.
