Sl No	Information sought	Reply
1.	The cut-off marks declared after Document Verification (DV) are different from those declared after the Computer Based Test (CBT). The UR cut-off increased from 77 to 79 marks, the OBC- NCL cut-off increased from 69 to 77 marks and an ESM-SC cut -off of 74 marks was introduced. Kindly provide the reasons for these changes, the method used to determine the revised cut -off marks, category-wise vacancy details, file notings, committee recommendations, and copies of the approvals/orders of the competent authority related to these changes. I belong to the UR category and my score falls within the cut-off range declared after the CBT stage. Therefore, I request that my case be reviewed and that a clear explanation be provided regarding the changes in the cut-off marks that resulted in my non-selection.	The information sought for is not specific.

The above information is provided under the purview of RTI Act, 2005.
