Dear Sir,

Reference may please be made to your on line RTI Application dated 09/01/2017 regarding information under RTI Act, 2005.

The required information as desired by you in respect of Guwahati Airport are furnished below :-

SL. No.	Information sought by the Applicant.	Information provided by PIO, NER, RHQ, Guwahati.
1	The amount of sewage/effluent generated at International airports (offices restaurants washrooms cleaning etc)	80000.00 ltr per day (Septic tank system)
2	The areas and amount of rainwater harvested at the International Airports. a) The amount of water saves from rainwater harvesting, if it is used. b) The rate time and mount of the establishment and inauguration of the rainwater harvesting structures. c) A copy of the annual maintenance report of rainwater harvesting.	This Guwahati Airport is situated very nearby of Brahmaputra River, due to this the ground water level in this Region always recorded less than 3.00 mtr below the existing ground level during the dry season and less than 2.00 mtr GWT during the monsoon season. Hence, rain harvesting arrangement may not be necessary for this Region.
3	The daily water requirement of International airport and its source. Apart from the daily water required for the aeroplane washing. a) Please provide NOC if ground water is being used .	100000.00 ltr per day N/A
4	Copies of MoUs signed for acquiring Nordic Dino. The new wet washing technology for cleaning aeroplanes.	Since Guwahati Airport is not operating as a base station. It is not applicable.
