	Rating Proficiency allowance for ATSEP CNS Executives has been approved by AAI Board in its 23rd meeting vide CHRM 02/2025. Courses like Automatic Data Processing ADP need Data Communication and Networking as pre requisite for attending the course. Additional IT related courses like Cyber Security for ANS Facilities and Vulnerability Assessment and Penetration Testing VAPT have been added. Although AAI is having its own IT department, in reference to approved CHRM 02/2025 policy for additional rating allowance for CNS executives in ADP, Cyber Security and VAPT for ANS facilities, kindly provide the following information:	
1.	Provide documents indicating the role and importance of Cyber Security and IT systems in CNS or ANS operations.	No such record available with the Directorate of CNS-OM.
2.	Specify whether CNS functions include responsibilities related to IT, Cyber Security, VAPT, IT related infrastructure and network systems compliance.	In accordance with RTI Act, 'A citizen has a right to seek such information from a public authority which is held by the public authority or which is held under its control. This right includes inspection of work, documents and records; taking notes, extracts or certified copies of documents or records; taking certified samples of material held by the public authority or held under the control of the public authority. The public authority under the RTI Act is not supposed to create information; or to interpret information; or to solve the problems raised by the
3.	Provide documents on how IT or Cyber Security related qualifications are treated as relevant to CNS functions.	

	applicants; or to furnish replies to hypothetical questions. Only such information can be had under the Act which already exists with the public authority.'
