Subject: RTI Request - Airport Affordability Measures

Sir/Madam,

I am seeking information under the RTI Act, 2005, on steps being taken to make airports more affordable for ordinary citizens. I am especially concerned about the effects of high prices of food and beverages, costly parking, and restricted access to low-cost amenities.

In particular, I seek information on:

1. Measures to control food and drink prices at airports, making them reasonable for passengers. How are overcharging mechanisms prevented?
2. Airport parking fee policies. What are the proposed measures to reduce parking costs, particularly for extended periods?
3. Plans to increase availability of free or low-cost facilities such as Wi-Fi, charging points, and comfortable seating areas.
4. Proposals to make airport lounge visits more affordable and accessible to the general public, not just business class travelers. Are there plans for providing more affordable lounge facilities?
5. How does the Ministry view the effect of existing ancillary service prices (food, parking, etc.) on the affordability of air travel overall?

Original RTI Text
(मूल आरटीआई पाठ):

I am a citizen of India and request the information within 30 days.

Thanking you,
