AAI TRANSFER POLICY:

A combined Transfer Policy in AAI is being formulated. The following guidelines shall govern the transfers of non-executives and executives of AAI w.e.f., the transfer season 2010. Generally, transfers are meant to utilize the individual/skill/potential in areas in which he/she has been trained / skilled. The Transfer Policy shall apply to all transferable posts in all disciplines

2. DEFINITIONS:

- 2.1 Normal Transfer Season: For both inter regions and intra regions,
- (i) **Normal Transfer Season** would be April-May, each year.
 - (ii) **Inter Regional Transfer:** Transfers from one region to another region.
 - (iii) **Intra Regional Transfer:** Transfers from one station to another station within the region.
 - (iv) **Home-Town:** The permanent home town as accepted by the AAI and entered in service book of the employee.
 - (v) **Length of stay** at the station/in the region:

Transfer will be in accordance with the seniority in stay at the region/station as applicable. Length of stay means period continuously spent at the station in the region under AAI in a post which has the liability of service anywhere in India. To illustrate, person A may be in Delhi (Northern) Region for the last six years – four years as Sr. Superintendent (ATC) and two years as Asstt. Manager (ATC), his/her length of stay in Delhi (Northern) Region is six years. Similarly shall be the case in respect of his stay at the same station. However, in the case of Group D posts, length of stay shall be computed only from the date of promotion to Group C posts.

Tenure Station: Stations are shown at Annexure - I.
(Refer Circular HR No.30/2010 dated 16.12.2010)

3. GENERAL GUIDELINES

- 3.1 Except in cases where operational/administrative reasons warrant, transfers shall normally be avoided. Transfers when made shall be in accordance with the seniority in stay at the station in the region.
- 3.2 Group D staff may not normally be transferred except on reduction of establishment/administrative reasons. Request for transfer when made shall be subject to the availability of vacancies and the merit of the case.
- 3.3 Executives at the level of DGM and above are also liable to be transferred as per the policy. However, suitability of these executives for particular assignment shall be given due consideration.
- 3.4 Transfer of Group C staff within the Region shall be done by the RED concerned.

2/2

- 3.5 Except in cases of transfer to tenure station, officers and staff shall not normally be transferred from one station to another station in the region before he/she completes a minimum period of three years at that station and from one region to another region before he/she complete five years in that region.
- 3.6 In respect of Inter/Intra Regional transfer, the person so transferred must have at least completed one year at the station of his posting from which he is transferred. Year for this purpose means transfer season. This, however, will not apply in case of transfer on promotion or reduction of staff.
- 3.7 Intra- regional transfers shall be made on the basis of length of continuous stay at the station and inter regional transfers on the basis of length of continuous stay in the region.
- 3.8 Volunteers may be called while effecting inter regional/ intra regional transfers to tenure station. The volunteers will also indicate the period for which they would like to serve at tenure station. Volunteers may be given preference. Details of general and tenure stations, both one year and two year, are given in ANNEXURE-I.
(Refer Corporate Personnel Circular No.30/2010 dated 16.12.2010)
- 3.9 Other factors being equal, age shall be the deciding criteria for transfer and not the seniority in the services. Older shall be transferred first.
- 3.10 In respect of officers/staff returning from deputation, their stay at the previous station/region before going on deputation shall be taken into account while affecting their transfers.
- 3.11 Weightage in PMS for transfer in operations cadre.
(Refer Circular No.15/2013 dated 21.08.2013.)

4. INTER REGIONAL TRANSFERS

- 4.1 A person shall not normally be transferred out of the region, before he/she completes at least five years in that region.
- 4.2 An official shall not normally be transferred out of the region second time unless all others in that cadre have done one turn of out of region transfer

5. TRANSFER ON PROMOTION

As a general policy non-executive on promotion to the level of executive and Senior Manager on promotion as DGM shall be transferred. Cases where retention of such promoted executives are required; such retention shall be on the specific recommendation of the Member concerned and with the approval of the Chairman. [This clause shall not apply to personal staff namely Stenographers and Private Secretary]. Such transfers shall be effected as per normal transfer policy.

6. TRANSFER TO HOME TOWN

- 6.1 Persons who are within 5 years of reaching the age of superannuation shall be posted as far as possible in or nearer to their home town, provided a request is received from the concerned official for posting
