Subject: Seeking Information under Right to Information Act, 2005 – Request of Sh. Vijay Saler- Reg.

Sir,

Reference your online RTI Request with Registration No. AAOIN/R/E/25/01736 & No. AAOIN/R/E/25/01753 dt. 30.10.2025 & 01.11.2025 respectively, seeking information under RTI Act, 2005.

The applicant has sought the following information and the reply is as under:

Sl.No.	INFORMATION SOUGHT	REPLY FROM JVC-TARIFF CELL
1	The User Development fees of INR 736 is being Levied at Kolhapur Airport which is under the jurisdiction and managed by AAI. The fees is 1/5th of the base fare which has spiked the total fare by 22 to 23% which is direct hit to the passengers especially at airport like Kolhapur where operators are running under UDAN scheme. This fees is completely arbitrary and why no action is taken to reduce the drastic fee.	Kolhapur Airport is a non-major Airport and falling under Cluster-2 Airport category. The tariff charges of non-major airports were approved by MoCA. The UDF charges applicable for FY 2025-26 is Rs.656 per embarking Px (excluding GST). If any route is falling under the category of UDAN Scheme then, no UDF charges are applicable Airlines tickets pricing are not under the purview of AAI (Airport Operator).

Yours faithfully,

(RAJESH KHANNA)
