3. DEFINITIONS:

- (i) **Normal Transfer Season:** For both inter regions and intra regions,
- The transfer seniority in respect of all cadres and grades should be uploaded on AAI website by 31st October along with inviting options for choice of stations from the employees.
 - Options for choice of stations from the employees should reach by 15th December to the concerned discipline
 - Annual transfer proposals having recommendations of the 'Transfer Recommendation Committee' should be put up before the Competent Authority for consideration by 28th February.

 - Annual transfer shall be combined with Annual DPC.
- (ii) **Inter Regional Transfer:** Transfers from one region to another region.
- (iii) **Intra Regional Transfer:** Transfers from one station to another station within the region.
- (iv) **Home-Town:** The permanent home town as accepted by the AAI and entered in service book of the employee. Persons who are within 3 years of reaching age of superannuation shall be posted as far as possible in or nearer to their home town/choice station. The cut-off date for determining 3 years will be taken as 31st March. However, officer/employee posted at tenure station would be transferred to home region only after completion of tenure posting. In all other cases the officer/employee should have at least worked out of home region for two years before effecting transfer to home region. However, in promotional case, if the remaining service is not more than one year from the crucial date of DPC to the next date of DPC i.e. 30th June, the official can be exempted from Transfer.
- (v) **Length of stay at the station/in the region:** Transfer will be in accordance with the seniority in stay at the region/station as applicable. Length of stay means period continuously spent at the station in the region under AAI in a

post which has the liability of service anywhere in India. To illustrate, person A may be in Delhi (Northern) Region for the last six years – four years as Sr. Superintendent (HR) and two years as Asstt. Manager (HR), his/her length of stay in Delhi (Northern) Region is six years. Similarly, shall be the case in respect of his stay at the same station. However, in the case of Group D posts, length of stay shall be computed only from the date of promotion to Group C posts.

- (vi) **Transfer at own request:** No joining time is admissible. Regular leave may be availed of to cover the period from the date of relinquishing charge of the old post to the date of assumption of charge of the new post. If, however, holiday(s) intervene(s) between the relieving date at the old station and joining date at the new station, the intervening holidays may be availed as "holidays" and the employee need not take any leave for such period. The pay for the period so availed will be payable.
- (vii) **For the purposes of transfer, CATC is to be considered as a separate region.** For transfer of executives to CATC, Allahabad, FSTC, Calcutta and other training institutions priority will be accorded on the basis of suitability-cum-willingness, while thereafter transfer will be as per regular policy. The posting shall be for a period of 4 years but the same shall be extended on completion of tenure period. If an Officer becomes due for tenure posting during this period, he/she shall go for such postings after the completion of his/her tenure.
- (viii) **Tenure Station:** Stations as shown at Annexure – I.

- 4.12 The person shall not normally be transferred to home region before he completes at least five years out of home region including out of home region tenure posting and on his own request. However, the period could be three years for inter airport transfers between stations.

- 4.15 Para 'O' of Circular dated 25/10/2004 - amended to "All individuals if desire to be posted to a station of choice, including volunteers to tenure stations should apply themselves indicating their choice station/home region posting directly to CHQ and an intimation to the respective RHQ, so that timely decision can be taken.

- 5.1 A person shall not normally be transferred out of the region, before he/she completes at least five years in that region.
- 5.2 An official shall not normally be transferred out of the region second time unless all others in that cadre have done one turn of out of region transfer.

6. TRANSFER ON PROMOTION

Transfer on promotion may be avoided to reduce financial burden on AAI. Official so promoted be transferred according to the transfer seniority in the promoted posts. [This clause shall apply to personal staff namely Stenographers and Private Secretary or Executives in the Secretarial Cadre are also liable for transfer as per transfer seniority]

7. TRANSFER TO HOME TOWN

- 7.1 Persons who are within 3 years of reaching the age of superannuation shall be posted as far as possible in or nearer to their home town, provided a request is received from the concerned official for posting to home town/opted station. The cutoff date for determining 3 year period will be taken as 31st March.
- 7.2 In the event of transfer consequent to promotion, the above provision shall not apply.
- 7.3 When a person is due to retire within 3 years and could not be accommodated nearer to the home town, he may be exempted from transfer during the last 3 years of service before retirement.

Note: The facility of transfer to home town or nearest station thereof when in the superannuation zone, will not apply to officers who for personal reasons have on their request been given deferment/ cancellation/exemption of transfer to out of region/tenure station during their regular turn till they fulfill the requirements of the same.

8. TRANSFER TO TENURE STATIONS

- 8.1 The following procedure shall be adopted while making postings to tenure stations.

Category I: Who have not served any tenure station:

- Step – 1 Draw up a list of officials in the cadre who have not done a turn of posting in any unpopular/tenure station.
- Step – 2 Arrange them in order of their length of continuous stay at non tenure stations irrespective of the regions.

Step – 3 Transfers to tenure station should be made from the list so prepared in the order they are arranged.

After effecting transfers as mentioned above, if there are more transfers to be made to tenure stations, the following procedure shall be adopted:

Category II: Who have already done one tenure station term:

Step – 1 Draw up a list of officials in the respective cadres who have done one or more than one turn at tenure stations.

Step – 2 Arrange them in order of their dates of relieving from the tenure station of last posting.

Step – 3 Postings to tenure station will be made from out of the Category II list in the order arranged after exhausting category I list.

8.2 Normally no choice will be given in regard to posting to tenure stations. To the extent of available vacancies, the request of an individual will be kept in regard to posting to tenure station.

8.3 Officials posted at tenure stations may at their option choose to remain longer than the stipulated stay. In that case the additional stay of the officials will be counted as stay at non-tenure station. Although his/her transfer from tenure station will be governed by the rules for transfer from tenure stations; but while preparing the priority list for posting to tenure station next time, the additional stay will be counted as a stay at non-tenure station. However, if the official is retained at tenure station basis management requirement, his/her relieving date shall be considered as end date of tenure and not as two tenure or one additional tenure.

8.4 In the event of two or more officials volunteering transfer to the same tenure station, consideration shall be given to the fact whether any of the volunteers had already been to that tenure station earlier. Preference shall be given to those who had not done a turn at the station to which option is made or who had the least stay at that station.

8.5 In the event of an official not reporting for duty within 30/60 days at tenure station of one -year/two-year duration from the date of relief by RED/Station In-charge concerned, he/she will have to serve for one more academic year at the tenure station in addition to the stipulated period of stay. The same provision shall apply if a person avails more than 60 days leave other than casual leave of any kind at tenure station. However, official who does not avail full joining time after strike off from the original date indicated in the original transfer order and report at the tenure station early, he/she may be allowed to exceed the leave period to the extent of un-availed joining time.

- 9.3 Transfers from tenure station will always be made to a non tenure station after completion of stipulated period of stay, but this may not necessarily be to the same station from which he/she was transferred to the tenure station.
- 9.4 In the event of a person serving at a tenure station due to his/her promotion or reduction in establishment at that tenure station, he/she shall be deemed as having served his/her term at tenure station.
- 9.5 Posting to tenure station in other region shall be deemed to be treated as tenure posting only and not as completion of out of region unless he/she completes three more years in the case of two years tenure station and four more year in the case of one year tenure station.
- 9.8 In case of ATC/Communication discipline, preference for posting to a station (tenure/non-tenure) would be given to an officer rated/proficient in a facility/equipment available at the station. Posting of rated/proficient officer to a station where the concerned equipment/facility does not exist is to be avoided. However, due weightage to seniority and choice is to be given while carrying out this exercise.
- 9.9 Disposal of leave application after receipt of transfer order by an officer: In case an officer on receipt of transfer order applies for leave beyond stipulated date of relieve the Controlling offer shall relieve the transferred officer not later than the stipulated date of relieve and forward his leave application to the officer under whom the officer in question has been transferred. It will be left to that officer to sanction or refuse the leave thus applied for.
- 9.10 Request for deferment/cancellation of transfer: In case a request for cancellation/deferment of transfer has been made by the officer concerned, the same should be disposed off expeditiously but not later than 20 days of making such request. Request for deferment, if agreed shall not be for a period of more than 6 months or till the academic session whichever is later.
- 9.11 Bringing outside influence to cancel/defer transfer : Any outside influence brought by an employee to cancel/defer the transfer orders, the same will be construed as having been made on his/her behalf. Apart from action as provided in Conduct Rules, an endorsement to this effect shall be made in the PAR of the officer/employee by the Reporting Officer concerned or by ED(HR) who is in possession of all correspondence in this regard.
- 9.12 If officials are staying longer than the prescribed time as per para 8.3, following incentives should be considered:
- (A) At 1-year tenure station:
- i. For 1 year extra stay - one-month salary (BP + DA) as additional.
 - ii. For 2 year extra stay - one month salary (BP + DA) as additional.
