**Annexure – A**

<b>Sl.No.</b>	<b>Query</b>	<b>Reply</b>
1.	Whether AAI, Chennai Airport have obtained Sanction from the competent authorities including the pollution control board authorities and Environmental Clearance and etc for setting up White Petroleum Storage in the lands adjacent to secondary runway?	All the mandatory clearances required to establish Aviation fuel storage facility will be obtained by the agency executing the Project for AAI before establishment of the same.
2.	Whether the AAI, Chennai followed procedures laid down in Petroleum and Explosives Safety Organisation (PESO) since our apartment is just 50 mts away from the proposed Project?	This facility will be established as per laid down procedures of petroleum and Explosives Safety Organisation (PESO).
3.	Whether AAI ensured lives of the people in the locality before planning the establishment of the above mentioned project?	Safety norms will be ensured as per the guidelines of PESO and other statutory Safety norms / guidelines.
4.	Whether AAI, Chennai is developing the land without any approval from the Competent authorities?	Development of land is essential for any kind of project for which AAI is the Competent Authority to take a decision.
5.	Whether the AAI, Chennai ensured safety of Residents of Casagrand Castle who are more than 1000 people in numbers before establishing the white petroleum storage?	Safety norms will be ensured as per the guidelines of PESO and other statutory Safety norms / guidelines.
6.	Whether the proposed White petroleum Storage near the Secondary Runway is underground or over the land?	Establishment of Aviation fuel storage facility at Chennai Airport is in Planning stage.
7.	Whether AAI will establish fire station near the proposed establishment of White petroleum Storage near the Secondary Runway?	Establishment of Aviation fuel storage facility at Chennai Airport is in Planning stage.
8.	Whether the AAI has proposed to close the lake which is existence time immemorial and used by the locality for water purposes?	Establishment of Aviation fuel storage facility at Chennai Airport is in Planning stage.  Further, it is to state that there is no lake available for the land proposed to be used for fuel farm.
9.	Whether the AAI has obtained permission from the concerned State Government authorities before closing the lake which is existence? Kindly produce the documents to that effect.	It is to state that there is no lake available for the land proposed to be used for fuel farm.

10.	Whether the noise pollution parameters are followed for proposed construction of the White petroleum Storage near the Secondary Runway?	All the mandatory clearances required to establish Aviation fuel storage facility will be obtained by the agency executing the Project for AAI before establishment of the same.
11.	What is the purpose of acquisition of land by the AAI, whether for the establishment of proposed storage of White Petroleum Storage the lands were acquired? If yes kindly produce the notification issued by the concerned Land Acquisition Authority in this regard?	Development of land is essential for any kind of project for which AAI is the Competent Authority to take a decision.
12.	Whether the Proposed establishment of storage of White petroleum will affect the ongoing rain water channel construction undergone by the State government authorities?	Will not affect the rainwater channel which will be undertaken by the State Government.
13.	Whether it is true that AAI have encroached upon the Water channel connecting to Adayar River while the Airport Compound wall was built?	No it is not true.
14.	Whether it is true that the State Government authorities have demolished part of the AAI wall, which had encroached the water channel connecting the Adayar River?	No. Only a small hole has been made in AAI compound wall by the Government of Tamilnadu during mic jam storm to allow the rain water collected in the nearby area to pass through AAI's land to reach Adayar river.
15.	Whether the AAI conducted any public meeting with the residents of the Manapakkam before planning for establishment?	Establishment of Aviation fuel storage facility at Chennai Airport is in Planning stage.
