RTI Applicant's Question	Reply to Question
1 I am Civil Engineer in Dhanbad and I want to know that why NOC for height clearance is required in Susnilewa near Barbadda in Dhanbad when the Airport is not operative in Dhanbad Jharkhand. And if required kindly provided the list of empaneled Surveyors with contact details who will provide the Coordinate certificate and Elevation certificate ?	State Govt. Jharkhand is the owner of Dhanbad Airport which is not licensed by DGCA. As per The Gazette of India Notification no. GSR 751 (E), dated 30 <sup>th</sup> September 2015 and amendments thereto, Clause no. 13.  QUOTE : IN CASE OF STATE OWNED OR PRIVATE AERODROMES NOT LICENSED BY THE DIRECTORATE GENERAL OF CIVIL AVIATION, THE CONCERNED STATE GOVERNMENT SHALL BE RESPONSIBLE FOR THE PROTECTION OF OBSTACLE LIMITATION SURFACES AT SUCH AIRPORTS - UNQUOTE.  Hence, Airports Authority of India does not issue NOC for height clearance in respect of State and Private owned Airports which is not licensed by DGCA. [ Refer GSR 751 (E) available in AAI's NOCAS PORTAL ]
