Dated : 05/02/25

To
Shri Sandeep Mishra,

Subject : Information under RTI Act. 2005.

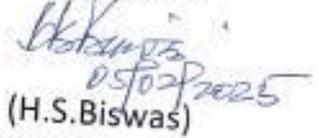

Sir,

Reference is made to your RTI application nos. MOCAV/R/E/24/00673 dated 09-12-24, AAOIN/R/T/25/00010 dated 07-01-25, AAOIN/R/T/25/00026/1 dated 15-01-25, AAIKO/R/T/25/00009 dated 22-01-25.

Enclosed herewith please find information which are received in respect of your above mentioned RTI applications.

Encl : As above.

Sincerely Yours

(H.S. Biswas)

General Manager(CNS-ER)/PIO-RHQ-ER,
NSCBI Airport, Kolkata-52

**Minutes of the 13th Meeting of the Standing Committee of the
Central Zonal Council held at Raipur on 11.10.2019**

The 13th Meeting of the Standing Committee of the Central Zonal Council was held at Raipur, Chhattisgarh on 11 October, 2019 under the Chairmanship of the Chief Secretary, Government of Chhattisgarh. List of participants is at **Annexure-I**.

Mr. Sunil Kujur, Chief Secretary, Government of Chhattisgarh in his welcome address, said that it was a privilege to host the meeting in Raipur. He stated that this meeting is preliminary work, but after detailed discussion, the decisions of this meeting on unresolved issues would be placed before the next Zonal Council meeting to be chaired by Hon'ble Union Home Minister. He was hopeful that most of the issues would be resolved amicably with consensus.

Ms. Radha Ratudi, Additional Chief Secretary, Government of Uttarakhand joined the meeting through Video Conference and raised the issue of assistance under Police Modernization. She stated that in Uttarakhand, there is shortage of thana buildings and police chauki. She further stated that the Government of India extended support for last Kumbh Mela celebrations and requested for Central assistance for upcoming Kumbh Mela in Haridwar as well. Also, she stated that there is one issue relating to police guard which was discussed in the last meeting of Zonal Council.

Sh. K.K. Singh, Additional Chief Secretary, Government of Madhya Pradesh thanked the organisers and sought detailed deliberations on agenda items.

State Govts of Chhattisgarh and Madhya Pradesh informed the Committee that they have made laws (including money lending & intoxication) complying with almost all the subjects and some remaining sections will be covered very soon. The JS, Panchayati Raj informed that statutory changes alone are not good and rules should be notified. Both the States stated that their State PESA Rules are in advance stage and will be notified within few months' time.

Decision: Item Retained	The Standing Committee advised the Govts. of Chhattisgarh and Madhya Pradesh to make/amend the Rules (or convey their stand otherwise) as far possible within 3 months and inform Ministry of Panchayati Raj / ISCS.
--------------------------------	---

21: Land acquisition for development of Bilaspur Airport in Chhattisgarh

(Sponsored by Ministry of Civil Aviation)

- **Mr. Sunil Kumar Kujur, Chief Secretary, Govt. of Chhattisgarh** stated that 387.3 acres land of Bilaspur Airport was allotted by the State Government in 2010 in favour of Airports Authority of India (AAI) but the same was cancelled in 2011 as the allotment was deemed to be legally infirm by the local authorities. The State Government is not very sure as to whether the AAI requires the land now or otherwise not. In case of land allotment, the State Government was not in favour of the land to be transferred to private operators. He asked AAI to examine if the operation from

Bilaspur Airport would be viable or not as flight from Jagdalpur was started by the AAI but later it was closed.

- **Sh. S.P. Yadav, Regional Executive Director, AAI** requested that the land may be given to AAI in order to develop the airport as per the provisions made in the UDAAN scheme. He further stated that there is no proposal under consideration for privatization of Bilaspur Airport and that it would remain with AAI. **Sh. Rakesh Sahay, Airport Director, Raipur** intimated that though 2 airlines agencies, Turbo and Alliance Air have made a bid for Bilaspur Airport, yet these agencies have bigger aircrafts and may not be viable here as maximum capacity requirement of flight(s) from Bilaspur Airport, would be 19 seater aircraft. If the land is land is allotted to the AAI, it would be developed for ATR subsequently. It was further clarified by the AAI representative that M/o Defence was earlier interested in developing an airport on this land but now that is no longer the case.
- **SS, ISCS** observed that in view of the facts coming forth from the Departments in the discussions, there does not appear any hitch on the part of the Govt. of Chhattisgarh in allocating/transferring the 387.3 acres land of Bilaspur Airport in the name of AAI which can proceed further as per due administrative & financial processes. He, therefore, urged the Chief Secretary, Govt. of Chhattisgarh to agree to give land to AAI. **After a great deal of discussion, the Chief Secretary, Govt. of Chhattisgarh gave his consent for allotment of land.**

Decision: Resolved	Item	(i) Govt. of Chhattisgarh to transfer the land in the name of AAI.
		(ii) M/o Civil Aviation to update

	the Council in its next meeting.
--	----------------------------------

22: Implementation of Public Procurement (Preference to Make in India) Order 2017 by State Governments

(Sponsored by M/o Commerce & Industry, DPIIT)

The Public Procurement (Preference to Make in India) Order, 2017 was issued to promote domestic production of goods and services, and thus spur employment and income. The policy aims at incentivizing production linked through local content requirements thereby encouraging domestic manufacturer's participation in public procurement activities. The Order is applicable on procurement of goods and services and works by a Central Ministry/ Department, their attached/ subordinate offices, autonomous bodies, Government companies, their Joint Ventures and Special Purpose Vehicles.

Sh. Arun Mahendru Balraj, Senior Development Officer from DPIIT informed that:

- This Order has been issued under GFR 153. It aims to give 20% price preference to local manufacturers in such a way that there is no loss of revenue and quality is not compromised. Local bidder will need match the lowest price if the bid is within 20% band. This Order is not so far applicable to State Governments and its PSUs.
- Only 3 States viz. Tripura, Nagaland and Manipur have adopted this Order so far.

AIRPORTS AUTHORITY OF INDIA

Tour Report

Subject: Tour to Swami Vivekananda Airport, Raipur w.o.f 27.06.2022 to 29.06.2022 in connection with mutation of airport land and other issues.

As per approval of the Competent Authority the undersigned went on official tour to Raipur Airport in connection with mutation of land and other land issues. Duly after going through all the related land records as available in the Raipur Airport it is found that the status of the total land area of the airport, land already mutated, and mutation under process, encroachment details etc. are furnished as hereunder (considering land area of 20.8 acres of land has been handed over by State Govt. recently)

1.	Land area of Raipur Airport	-	1080.79 acres
2.	Land area mutated in the name of AAI	-	593.58 acres
3.	Land area to be mutated in the name of AAI	-	487.21 acres
4.	Encroachment details	-	Nil

2. The issue of mutation has been discussed with APD, Raipur and thereafter taking appointment from the office of the Chief Secretary of Govt. of Chhattisgarh, the undersigned along with Sh. Praveen Jain, APD Raipur and Sh. Ravindra Patil, AGM(Civil) Raipur attended the meeting with Sh. Amitabh Jain, Chief Secretary of Govt. of Chhattisgarh on 28.06.2022 at 12.30 PM.

3. At the onset Sh. Jain, APD Raipur has introduced ourselves to Chief Secretary and explained about the land issues of Raipur Airport especially the issue of mutation of the remaining land area required to be mutated and subsequently requested his personal intervention for early mutation of 487.21 acres of land area which was handed over by NRDA (New Raipur Development Authority) at Raipur Airport.

4. CS, Govt. of Chhattisgarh stated that as NRDA is a Public Sector Undertaking of State Govt. and they have handed over the above land to AAI on lease basis and not on ownership basis. Hence, NRDA has demanded lease rent for that land handed over to AAI.

AAI officials submitted that AAI had requested to the State Govt. of Chhattisgarh for handing over the above land for expansion of Raipur Airport at free of cost and free from all encumbrances and accordingly State Govt. through NRDA has handed over the piece of land to AAI. Moreover, AAI not signed any lease agreement with NRDA / Govt. of Chhattisgarh, hence payment of lease rentals for that land were not considered by AAI.

5. However, duly after several conversations, CS, Govt. of Chhattisgarh has finally stated that as per the decision taken by the State Govt. at this stage mutation of above said airport land in the name of AAI on ownership basis is not tenable at this stage.

6. In respect of mutation of Bilaspur Airport, CS, Govt. of Chhattisgarh has said that as per record this airport belongs to State Govt. of Chhattisgarh and by mistake it was mutated in the name of AAI and within a very short period, the said mutation was cancelled. Now while RCS operation at Bilaspur Airport is already under process and being carried out by State Govt. of Chhattisgarh, hence at this moment, AAI may submit the specific plan about Bilaspur Airport to the Govt. of Chhattisgarh.

Thereafter meeting has been concluded giving thanks to the chair.
