| 1 | We are J Singh & Associates, a chartered Accountant firm. Hereby Requesting information under the RTI Act. We submitted a bid for GeM tender GEM/2024/B/5348458, but our application was rejected during the technical evaluation stage. We formally expressed our concerns regarding the rejection of our technical bid for Tender ID: GEM/2024/B/5348458 and submitted a representation to contest this decision. However, we are disappointed to note that our bid was dismissed without adequate consideration of the points we highlighted. We also reached out via email to ansfh.it@gembuer.in on Wednesday, October 23, 2024, at 19:33, yet have not received any response. In line with our right of information, we kindly request that you provide the specific reasons for rejecting our representation. | As per the decision of Tender Evaluation Committee and approved by competent authority, even after requisitioning the shortfall documents from M/s. J SINGH & ASSOCIATES on 10.10.2024, the same documents as in the original bid, was again uploaded by the bidder. Then through the Representation window, the bidder had submitted the certificate dated 10.10.2024. As per the Guidelines of GeM, the shortfall information / documents should be sought only in case of historical documents which pre-existed at the time of the tender opening and which have not undergone change since then. Since the bidder did not submitted the required shortfall document within the prescribed time limit, submission of shortfall documents through Representation window should not be accepted. In light of the above mentioned matter, the representation of the bidder was rejected. |
