ACTION HISTORY OF RTI REQUEST No.AAOIN/R/E/25/00775/3

Applicant Name

Respected Public Information Officer, I am a citizen of India and would like to seek information under the Right to Information Act 2005 regarding the pricing of food and bottled water at airports managed by the Central Government particularly those under the Airports Authority of India AAI. It has been observed that bottled water and food items are being sold at prices higher than the Maximum Retail Price MRP or their regular market value at several government-operated airports. Kindly provide the following information with respect to all Central Government-managed airports in India including those under AAI and Public Private Partnership PPP models: 1. What are the official guidelines or policies regarding the pricing of bottled water and food items at airport premises? 2. Are airport vendors allowed to charge more than the MRP for bottled water or packaged food? If yes under what legal provision or policy? 3. Who is the authority responsible for fixing monitoring and approving the rates of food and beverages including water at these airports? Thank you.
