Original RTI Text :

I am an Indian citizen. I am one of the end user of services and buyer of goods amongst crores of Indians who are ultimately paying CENTRAL EXCISE DUTY (ON PETROL & DIESEL) GOODS AND SERVICE TAX /CUSTOMS DUTY to the Union Government Of India. The right to information is a fundamental right under Article 19 of Constitution. As early as in 1976, the Supreme Court said in the case of Rajnarayan Vs State of U.P., that people can not speak or express themselves unless they know. Further, every citizen pays taxes therefore he has a right to know how their money was being spent.
