Request Pertains to :

Clarification on Use of Publicly Available Media and Design Materials for Publication

I am writing to seek guidance on the permissible use of photos, videos, architectural designs, layout plans, and other media content that are publicly accessible through AAI platforms such as tender notifications, official websites, social media handles, and other previously published sources.

Specifically, I would like to know if there are any policies or restrictions related to republishing such content in print media, broadcast platforms, or social media for informative or editorial purposes. Kindly clarify whether prior permission is required or if usage is permitted with proper attribution.

Thank you for your assistance
