S. No.	Applicant's Question (Original)	Reply
1	Under which provision of the statute the South Dum Dum Municipality does not fall under the purview of the Ministry of Civil Aviation (Height Restrictions for Safeguarding of Aircraft Operations) Rules, 2015 (GSR 751(E), published on September 30,2015) Rules and Regulation.	According to GSR751(E) dated 30.09.2015, any building to be constructed within 56 Km from ARP of Kolkata Airport shall apply for NOC through AAI NOCAS site. There is no such provision that states that the area of South Dum Dum Municipality does not fall under the purview of this rule.
2	How far the NSCBI Airport is situated from the South Dum Dum Municipality?	Map of South Dum Dum Municipality is not available with this office, moreover, South Dum Dum Municipality is not a point of location- it must be having some designated area. Therefore, distance cannot be measured.
3	What is the total area of the South Dum Dum Municipality?	No data available. No map of South Dum Dum Municipality is available with this office. South Dum Dum Municipal Authority might be the appropriate body to contact.
4	Which areas under the total South Dum Dum Municipality are outside the purview of the Ministry of Civil Aviation (Height Restrictions for Safeguarding of Aircraft Operations) Rules, 2015 (GSR 751(E), published on September 30, 2015) Rules and Regulation?	For obtaining NOC- distance from the location to the ARP of Kolkata Airport is the only criteria and there is no such area of South Dum Dum municipality having special exemption.
