Step – 3 Transfers to tenure station should be made from the list so prepared in the order they are arranged.

After effecting transfers as mentioned above, if there are more transfers to be made to tenure stations, the following procedure shall be adopted:

Category II: Who have already done one tenure station term:

Step – 1 Draw up a list of officials in the respective cadres who have done one or more than one turn at tenure stations.

Step – 2 Arrange them in order of their dates of relieving from the tenure station of last posting.

Step – 3 Postings to tenure station will be made from out of the Category II list in the order arranged after exhausting category I list.

8.2 Normally no choice will be given in regard to posting to tenure stations. To the extent of available vacancies, the request of an individual will be kept in regard to posting to tenure station.

8.3 Officials posted at tenure stations may at their option choose to remain longer than the stipulated stay. In that case the additional stay of the officials will be counted as stay at non-tenure station. Although his/her transfer from tenure station will be governed by the rules for transfer from tenure stations; but while preparing the priority list for posting to tenure station next time, the additional stay will be counted as a stay at non-tenure station. However, if the official is retained at tenure station basis management requirement, his/her relieving date shall be considered as end date of tenure and not as two tenure or one additional tenure.

8.4 In the event of two or more officials volunteering transfer to the same tenure station, consideration shall be given to the fact whether any of the volunteers had already been to that tenure station earlier. Preference shall be given to those who had not done a turn at the station to which option is made or who had the least stay at that station.

8.5 In the event of an official not reporting for duty within 30/60 days at tenure station of one -year/two-year duration from the date of relief by RED/Station In-charge concerned, he/she will have to serve for one more academic year at the tenure station in addition to the stipulated period of stay. The same provision shall apply if a person avails more than 60 days leave other than casual leave of any kind at tenure station. However, official who does not avail full joining time after strike off from the original date indicated in the original transfer order and report at the tenure station early, he/she may be allowed to exceed the leave period to the extent of un-availed joining time.

9. TRANSFER FROM TENURE STATIONS

9.1 When transfer from tenure station to non-tenure station is made, an official in the cadre with the longest stay in the tenure station shall be transferred out first.
