1.	I would like to know the Revival status of Warangal airport in telangana state. As per RTI info from state govt, telangana govt claims that they have acquired additional land for Warangal airport and handed it over to Airports Authority of India. I need a clarification whether the state govt actually handed over the required land to AAI or not? If yes then how long will it take to operationalize the Warangal airport and what are plans that are in progress regarding Warangal airport.	Letter from Government of Telangana on Progress of Development of Warangal Airport is enclosed.
