S.No	Information Sought	Reply
1	Please provide details of the airports where BAS attendance system has been implemented for employees engaged in operational duty.	Biometric attendance system was designed and developed by NIC initially for staff performing general duties. On enquiry from NIC, it is given to understand that the system is not developed for shift duties so far and efforts are on the way to do the same but still it is not functioning for different categories of shift duty staff. (May refer CHQ letter No: AAI/CHQ/ITD/RTI/2019/59 dated 30.8.2019)
2	Kindly provide the latest valid circular for implementation of BAS attendance system	Refer circular from AAI Website www.aai.aero

2.	Please provide the guideline to mark attendance at midnight of the day as next date change after midnight 12.00PM. for who is performing shift duty for 24 hours as the following shift.	Biometric attendance system was designed and developed by NIC initially for staff performing general duties. On enquiry from NIC, it was given to understand that same is not developed for shift duties so far and efforts are on the way to do the same but still it is not functioning for different categories of shift duty staff.
3.	Please provide the details of airports where BAS attendance system implemented for shift duties staff.	Due to limitations of BAS, BAS attendance system could not be implemented at any airport for shift duties staff.
